

## The Yun Family's Ninth Child is an Imp! Chapter 126

Yun chujiu blinked her eyes, with an innocent look on her face, she said, "Elder Qu, I was resting on the steps when I saw several bolts of lightning striking downwards. I ran into the forest in fear, but I didn't expect to be struck by a bolt of lightning. After that, I didn't know anything."

Yun Chusi and the others also proved, "That's right, elder Qu. We found that Xiao Heiniaio was missing, so we quickly came to find her and pulled her out of the pit."

Elder Qu looked at the vines still hanging at the entrance of the deep pit, then looked at Yun Chujiu's bald head, and then fixed his gaze on the little black bird on the top of Yun Chujiu's head, which was drooping.

"Fire-spitting crow? Black girl, is this fire-spitting crow your spiritual pet?"

Yun chujiu held the short wings of the fire-spitting crow in disgust, "Yes, I found it in the Demon Beast Forest. Elder Sun said that the fire-spitting crow had a gentle temperament, so he let me keep it."

"Wa — wa — wa..." Xiao Heiniaio cooperatively called out a few times.

Elder Qu nodded. "En, this bird is quite compatible with you. They're both small fries."

Xiao Heiniaio's eyes widened. F \* ck, you're the small fry! You'll fall to your death!

Pa Ji, elder Qu's left foot tripped over his right foot, and he fell like a dog gnawing on mud!

Elder Qu was stunned from the fall!

As a dignified elder of the Ling Hua sect, he actually tripped himself? If this were to be known, it would be a laughing death!

His old face flushed red, and before Yun Chujiu and the others could react, he hurriedly jumped up and disappeared with a whoosh.

Xiao Heiniao saw that elder Qu had disappeared, and only then did he land on the ground, rolling on the ground with laughter.

“Hahaha! Damn it! You Stinky Old Man, you actually called me a noob! You’re even noob! Why didn’t you fall to your death!”

“Hahaha! I didn’t think that I would casually say something and he would fall! This mouth of mine is simply...”

Xiao Heiniao thought of something and quickly used its short wings to cover its mouth. Oh God, could it be that I really jinxed it? Impossible! I have nothing to do with that unlucky low-level bird! It must be a coincidence. Yes, this was completely a coincidence!

Yun chujiu couldn’t be bothered with it. The test wasn’t over yet. Although she couldn’t enter the outer sect, it was still pretty good to be able to enter the spirit flower sect and become a handyman. It was better to go and see what arrangements were made first.

“Fifth sister, seventh sister, give me your handkerchief. I’ll wrap my head.”

Yun chujiu took the handkerchief and rubbed the charcoal ash on her face first. Then, she wrapped the handkerchief around her head. She even purposely left two small tails behind.

“Ah, Little Jiu, you seem to be whiter than before!” Yun Chuwu said in surprise.

Yun Chuqi also said happily, "Really! Little Jiu, this is a blessing in disguise! You are really whiter than before! Also, the handkerchief you made on your head is quite unique!"

Yun Chujiu raised her neck proudly and put her hands behind her back. "Of course! I, Yun Chujiu, will definitely be a great beauty in the future! In the past, I just hid my strength and bided my time."

Everyone's faces froze. This guy really couldn't help but praise him. Just a little sunshine would make him shine.

"Brothers, sisters, I'm sorry. If it weren't for me, you would have been able to enter the outer gate!" Yun Chujiu felt warm in her heart when she saw that everyone had given up on the test to find her.

"Little Jiu, what nonsense are you talking about? ! Don't say that we relied on you to pass the previous Test. Just because you are our sister, we can't ignore you! Don't say such things in the future!" Yun Chusi said with a straight face.

Yun Chujiu nodded, but her nose was a little sour. Was this family love? There were no conditions. Just because we were family, we could protect each other, be warm to each other, and never abandon each other in life and death!
