

## The Yun Family's Ninth Child is an Imp! Chapter 1265

At this moment, Yun Chujiu was staring at the towering tomb in front of her in a daze. At that time, she was only focused on escaping and was trying her best to knock into the western barrier. Unexpectedly, there was a flash of white light in front of her eyes. When she opened her eyes again, she was already in front of a huge tomb. This was an extremely majestic tomb. There were complicated Sanskrit inscriptions engraved on the tomb door. Yun chujiu looked around for a long time but could not find a way out. She gritted her teeth. It seemed that she could only break into this huge tomb., perhaps she could find a way out. Yun Chujiu activated her defensive spirit tool and pushed the tomb door with extreme vigilance. She did not expect that the tomb door would be pushed open so easily. Yun chujiu still did not dare to be careless. She carefully looked inside, and this fellow suddenly became starry-eyed. "F \* ck! Is this a treasure trove? How can there be so many good things?" The big tomb was filled with spirit tools and spirit tools. The light was so dazzling that it was almost impossible to open one's eyes. Just as Yun Chujiu was about to take it, the black bead in her dantian trembled. Yun Chujiu felt pain and immediately woke up. F \* ck! She almost fell into the trap! How could there be such a good thing? It must be a trap! Thinking of this, Yun Chujiu walked along the narrow tomb path without looking away. After Yun Chujiu walked past the tomb path, she looked back and was so scared that she almost fell to the ground. She saw that there were no spirit tools or Qi ling beside her. There were clearly piles of white bones, some of which were human and some of which were demonic beasts. Moreover, many of them were still in their deathbed positions. From the looks of it, they were either taking things., or they were eating spirit herbs. They were probably lost in the illusion and died. "Glass ball, it seems that you are not completely useless. Since you have reminded me of the danger several times, I will scold you fewer times in the future." The black bead shook in disdain. Idiot! Yun chujiu rolled her eyes. Although the black bead could not speak, the contempt she felt was completely exposed. F \* ck, you're just a broken bead, yet you're still looking down on her? You're really shameless! After Yun chujiu finished scolding the black bead, she continued to walk forward. The tomb path was very narrow and long. Yun chujiu walked for nearly an hour before the front suddenly opened up. It was actually a large hall, whether it was the stone slabs on the ground or the surrounding walls, they were all meticulously carved. The furnishings inside were also very exquisite. "Tsk Tsk, I wonder who the owner of this tomb is. What a waste. He actually built such a luxurious hall." This time, Yun Chujiu learned her lesson. She did not dare to touch the things inside carelessly. Instead, she carefully looked at the murals carved on the wall. The murals were carved with some strange flowers and plants. Yun chujiu recognized some of them, but she did not recognize most of them. They were probably ancient herbs. It seemed that the owner of the murals was also an ancient person. Just when Yun Chujiu was engrossed in looking at the murals, she suddenly heard rustling sounds. Yun chujiu could not help but become nervous. Then, to her horror, she discovered that the strange flowers and plants on the wall had actually broken out of the wall, and they began to attack Yun Chujiu! The attacks of these demonic plants were different from those of demonic beasts. Some attacked with branches, some sprayed poisonous juices, some attacked with exploding seeds, and some directly opened their huge petals to swallow Yun chujiu. Yun chujiu only had one feeling right now. was she intruding into the scene of plants fighting against zombies? Damn it, she didn't look like a zombie that had been beaten to pieces!
