

The Yun Family's Ninth Child is an Imp! Chapter 1274

"If I offend Tian Dao, I won't be able to cultivate into a human body for the rest of my life. However, it's fine if the little devil is struck to death. If she can't die, she definitely won't forgive me. What should I do?" Just as the item spirit of the trial tower was hesitating., he heard Yun chujiu continue cursing outside, "Xiao Hei, Qi Ling, to think that you are an ancient divine artifact's item spirit. Your brain is even dumber than a pig's! 'what kind of good thing do you think Tian Dao Is??' 'did you receive a reward for helping him trap me the last time??' 'you are an ancient divine artifact. Are you afraid that he will strike you??' 'besides, you opened it normally. What right does he have to punish you??' 'who made it a rule that the heavenly lightning spirit root can not enter the trial tower??' 'Let me in immediately!?' 'otherwise, I have plenty of ways to torture you. Running around naked is the lightest method. I will draw a Little Bastard on you. I will destroy your back garden for you...'

Just as Yun chujiu was cursing, the door to the trial tower opened, and Yun Chujiu dashed in. The dark clouds in the sky were distorted, but they were helpless against the divine weapon. Even if they hacked it, they wouldn't be able to destroy it, so they could only continue gathering outside. Dean Huangfu and teacher mou were both dumbfounded and frightened! Although the Thunder was deafening, they still heard some of Yun Chujiu's words. F * ck! Yun chujiu's scolding of the trial tower's Qi ling was like scolding a grandson. Last time, this fellow even said that the Qi Ling was teasing her? Forget it! With your tone, it was teasing you? It would be good if you didn't tease it! Oh God, and it actually said that Tian Dao wasn't a good thing? No wonder the heavenly lightning didn't give up until it struck her to death. This fellow was really seeking death by playing tricks! This guy was really too fierce. He actually went against Tian Dao. It was really scary! Yun chujiu did not care how they cursed in their hearts. This time, this guy was not teleported to the sea. Instead, he was teleported to a valley. Two level 21 gold-spotted wind blade leopards were staring at her. Yun chujiu was also a person who had seen the world. She did not care about these two gold-spotted wind blade leopards at all. Besides, they would not die in there anyway. "Two kittens, if you know what's good for you, you can go back to where you came from. I will go out after a short rest. We will not interfere with each other. If you don't know what's good for you, I will make you beg for Death!" Yun Chujiu said fiercely. The two gold-spotted wind blade leopards roared. You are the kittens! Your whole family is kittens! The two gold-spotted wind blade leopards were enraged and rushed towards Yun chujiu from both sides. Yun Chujiu jumped back and dodged the attacks of the two gold-spotted wind blade leopards. Seeing that Yun Chujiu had dodged the attacks, the two gold-spotted wind blade leopards immediately launched another wave of wind blade attacks. Yun chujiu thought that since she could not use up all the lightning spiritual energy in her body, she might as well set up a spiritual energy barrier. Then, she waved her hands repeatedly and attacked the eyes of the two gold-spotted wind blade leopards and other vulnerable spots. One man and two leopards were fighting each other, and there was no clear winner at the moment. Yun chujiu was impatient. She did not have time to waste with them, so she got the little black bird to start cursing. Taking advantage of the moment when one of the gold-spotted wind blade leopards staggered, several small purple needles entered its eyes, after the small purple needles exploded, the gold-spotted wind blade leopard rolled on the ground in pain. Yun chujiu brought out the three-tailed Fox King of Lie Yan and Xiao Hei, and let the two deal with the blind golden-spotted wind blade leopard while she dealt with the other golden-spotted wind blade leopard.
