

## The Yun Family's Ninth Child is an Imp! Chapter 1283

Yun chujiu pursed her lips. There was no one else who could be so childish as Qi Ling. However, it was true that the Qi Ling it had encountered were all more childish than the last. They rarely interacted with humans, so they naturally did not have so many tricks up their sleeves. "Qi Ling, are you sure you want to do this?" "Humph! Of course! It has been tens of thousands of years, but no one has been so bold as to destroy my cave like this! So as a punishment, I will trap all of you here. I will make you feel guilty for the rest of your life. hahaha!" Speaking up to this point, Qi ling was so angry that she wanted to bang her head against the wall. Where did such a pervert come from? She actually brought so many talismans. was she going to sell talismans here? She actually blew up her cave into such a ghastly state. She had to pay the price! "I'm sorry, you might not know me very well. I'm the most shameless person. As long as I'm fine on my own, I don't care what other people do! If you want to be trapped, then go ahead! "I don't care. I have a lot of food in my storage ring. I can eat it for hundreds of years without any problem. When the time comes, I'll blow up the rocks and play with them. I'll blow up all the rocks in your place into powder..." "It's beautiful just thinking about it!" Yun Chujiu said as she threw an explosive talisman at a rock. The rock was instantly blown into pieces. "Stop! Stupid Girl! If you don't Stop, do you believe that I'll immediately make those people on the lower floors die? I'll put the demon beasts on the lower floors into the first few floors and see how they live!" Qi ling shouted in exasperation. "I say, do you not understand human language? Don't I tell you? Their lives have nothing to do with me. If you want to kill them, just kill them. What do you want to tell me? If you are capable, then put all the demonic beasts on my floor and bite me to death!" Yun chujiu looked like a scoundrel, she thought to herself, 'who am I lying to?'. She even let out all the demonic beasts on the other floor. Everything was restricted by rules, and it was impossible for it to do so. The weapon spirit kept screaming, she gritted her teeth and said, "Stupid girl, I'm not that easy to fool. It's impossible for you to not care about the lives of those people. I'll give you a choice. If you can break through to the tenth floor, I'll let you out. Otherwise, I'll risk damaging the crypt to not let you out." Yun chujiu did not say anything. After a long while, yun chujiu said, "How long?" "Including today, you still have fourteen days! Stupid Girl, I wish you good luck!" Qi Ling said proudly, the reason why it did this was to force Yun Chujiu to enter the cave below. That way, the demonic beasts would have a chance to kill it and destroy its cave. She must die. Yun Chujiu strangled the Qi Ling in her heart countless times! Damn it, just you wait. Don't let me find you, or I'll kill you! Yun chujiu did not doubt what the Qi Ling said. This abnormal Qi Ling would really trap everyone here. Damn it. Anyway, she still had many superior-grade explosive talismans in her storage ring. She did not believe that she would not be able to break through to the tenth floor, when the time came, she would take all the treasures inside! Yun Chujiu was not in a hurry to go down to the second floor. Instead, she used the cleaning spell to tidy herself up first. After eating some food, she counted the things in the three masked men's storage rings, she kept the defensive spirit tools and talismans that she could use properly, just in case she needed them. After four hours, Yun Chujiu stood up and directly activated the concealment talisman. She rushed towards the entrance of the second floor.
