

The Yun Family's Ninth Child is an Imp! Chapter 1294

At this moment, they heard the little girl on the back of the three-eyed fire fox say, "Hey! Two little dogs, how about we do a business deal?" The two blood-eyed silver wolves were dumbfounded. They felt that the way they opened their eyes today was not right. Otherwise, why would such a strange thing happen to their hair? Was this little girl a Fool? Were they puppies? What kind of look was that? Besides, you're just a reserve grain. What kind of business are you in? So she was a fool. No wonder the three-eyed fire Fox wanted to keep it as a reserve grain. Such a foolish human would not be able to escape. "Could it be two silly puppies? Didn't you hear me? "You helped me find the entrance to the tenth floor. In return, I will reward you with transcendent-grade blood coagulation pills and transcendent-grade explosive spirit pills. If you don't agree, three-eyed and I will turn you into two dead puppies!" Yun Chujiu said arrogantly. Three-eyed Fire Fox was about to cry! Oh My God, you are courting death! Although it could deal with one blood-eyed silver wolf with ease, but there were two of them? ! Could it be that you can deal with one by yourself? ! The two blood-eyed silver wolves howled in anger. It seemed that this little girl was not a fool, she was a F * cking lunatic! She actually provoked them, she was courting death! However, what was going on with the three-eyed fire Fox? Three-eyed Fire Fox? Was it talking about it? Why did it not say a word? And it looked like it had nothing to live for? Could it be that it had actually been tamed by the little girl? How, how could this be possible? "Two little dogs, you've seen it too. three-eyed fire fox has already cooperated with me. This is a smart demon beast. If you don't want to be blown into pieces, then immediately agree to my suggestion. Otherwise, what do you think this is?" Yun chujiu used the same trick and threw a big sack on the ground. One of the blood-eyed silver wolves used its claws to open it and saw that it was full of super-grade explosive talismans! ! Was this little girl selling talismans? ! The other blood-eyed silver wolf had a cunning look in its eyes. It stretched out its front leg and was about to kick the sack away, then, it heard the little girl say faintly, "Kick it, I still have dozens of sacks in my storage ring! And I have all kinds of poisons here that will be used to entertain you." The two blood-eyed silver wolves immediately staggered. Dozens of sacks? Are you kidding us? One sacks was enough to scare the beasts, but you still have dozens of sacks? "Oh right, before I met three eyes, I killed a giant blood-eyed ape. TSK TSK, that stupid thing refused to cooperate with me, so I blew it into pieces in a short while. If you don't believe me, ask three eyes if what I said is true!" Yun Chujiu said proudly, this guy had made up his mind that he would try his best to Bluff, and he would never take action if he could solve the problem with his mouth. The two blood-eyed silver wolves looked at the three-eyed fire fox. The three-eyed fire fox nodded. No matter what the process was, the result was indeed that the giant blood-eyed ape was blown to pieces. "Two little dogs, I have always believed that harmony is the most precious thing. As long as it doesn't hurt the harmony, it doesn't hurt the harmony. If we fight like this, I reckon that the outcome will not be determined in a short while. At that time, we will both be injured, so why bother? "Why don't you follow me? Not only will you get benefits, but you can also kill a few disobedient Demon Beasts. You will also have meat to eat. What a good deal!" The two blood-eyed silver wolves looked at each other. Since the three-eyed fire Fox had already surrendered, they didn't have to force it. This was indeed a good deal. After all, they didn't have much to do with each other. As for moral integrity, that thing couldn't be eaten as meat., it was fine if they did not want it!
