

The Yun Family's Ninth Child is an Imp! Chapter 1295

The two blood-eyed silver wolves thought of this and took the initiative to establish a spiritual connection with Yun Chujiu. Yun Chujiu immediately used the beast taming technique to establish a temporary contract. The pride in this fellow's heart could not be described with words! Hahaha! So what if it was a level 28 demonic beast? Wasn't it still tricked by her into becoming her taming beast? Did the damn qi ling still want to trick her? She didn't believe that she couldn't find the entrance to the tenth floor. Even if she couldn't find it, she could still think of a way to force it out! Yun Chujiu led the three demonic beasts and started the journey of torturing the beasts. The stronger the demonic beasts were, the more they would live alone. Therefore, Yun Chujiu led the three demonic beast thugs and was successful in everything, moreover, she would take in new underlings during this process. However, they had already reached the end of the cave and could not find the entrance to the tenth floor. Moreover, all the demon beasts indicated that they had not seen the entrance to the tenth floor. Yun chujiu could not help but frown. Could it be that she had really been tricked by the Qi Ling? It should not be. If there was no tenth floor, where would the Qi Ling hide? Moreover, the legends didn't come out of nowhere. The tenth floor definitely existed, but where was the entrance? Although Yun Chujiu hadn't found the entrance to the tenth floor for the time being, she had an unexpected harvest. This fellow had discovered a netherworld stone mine. The Netherworld Stone mine wasn't of much use to these demon beasts, so Yun Chujiu naturally wouldn't be polite. She used the explosive talisman to blow up the mine and then stored large chunks of netherworld stone into her storage ring. This was a good thing.., it was a good opportunity to exchange for contribution points. When those demonic beasts saw Yun chujiu throwing out super-grade explosive talisman as if it was free, all of them felt extremely fortunate. Fortunately, they had made a wise decision, or else they would have ended up like this Netherworld Stone. Three days passed in a row, but Yun chujiu still couldn't find the entrance to the tenth floor. Along the way, she also cursed Qi ling, qi ling sneered and said, "Stupid girl, there are still three days left. If you still can't find the tenth floor, you will never have to go out. You can treat it as a snack for the beasts in the Crypt!" After saying that, Qi Ling disappeared without a trace. No matter how much Yun chujiu cursed, Qi Ling seemed to be dead. There was no reaction at all. The demonic beasts all looked at Yun Chujiu in a daze. Damn, so this person was coerced by the weapon spirit to come here? This person was really bold. A fifth level spirit sect cultivator dared to break through to the ninth level alone? Alright, there was nothing that such perverts didn't dare to do. They were powerful, but in the end, weren't they still obedient? SOB, SOB, it was all tears! Yun Chujiu didn't have the time to bother with those self-deprecating demon beasts. She held her chin and thought hard about where the tenth floor was? According to common sense, the entrance to the tenth floor should be on the ninth floor. However, these demon beasts had lived here for thousands of years and had never found the entrance to the tenth floor. In this case, there were only two possibilities, one was that the entrance to the tenth floor wasn't on the ninth floor at all. The other possibility was that the entrance to the tenth floor was indeed on the ninth floor, but it was extremely hidden. Regardless of which possibility it was, it was impossible to find the entrance to the tenth floor within three days! Could it be that they could only be trapped here and die? Just as Yun chujiu was frowning, three-eyed Fire Fox came over eagerly. "Little Fairy, although we didn't find the entrance to the tenth floor, this matter might not necessarily have no

turning point. Perhaps the weapon spirit is just playing with you! "So, are you going to give me what you promised me?"
