

The Yun Family's Ninth Child is an Imp! Chapter 1296

Yun chujiu suddenly had an outlet to vent her anger. She pointed at the nose of the three-eyed fire fox and scolded, "You three-eyed Fox, why are you so anxious? Can't you see that my hair is turning white from worry? Why are you still boisterously boisterously boisterously boisterously boisterously boisterously boisterously boisterously, get lost!" The three-eyed fire Fox almost spat out a mouthful of blood. Unfortunately, with the contract, no matter how angry it was, it did not dare to do anything to Yun Chujiu. It was afraid that Yun Chujiu would really not give it anything, it quickly added, "Little Fairy, don't be angry. I am not in a hurry to get the tail bone of the nine-tailed fox. I am advising you not to worry too much. You are so smart. You must be able to think of a way. By the way, how did you offend the Weapon Spirit?" The three-eyed fire Fox thought to itself, in the past tens of thousands of years, it had never heard of anyone causing the Qi Ling of the weapon spirit to jump around. What exactly did this person do? Although Yun Chujiu knew that the three-eyed fire fox was using this as an excuse, her heart was moved and she recalled what happened on the first floor of the cave. At that time, the Qi Ling said that she had broken its stone, so it wanted to punish her and let her break through to the tenth floor before letting them out. Wait, something was not right! When she killed the blood-eyed giant ape on the ninth floor, the deep pit that exploded was not any shallower than the one on the first floor. Why didn't the Qi Ling come out? Even if it had decided to punish her, it should not have been so calm when it saw its beloved stone being destroyed. Later on, when she had scolded it, it did not mention anything about it when it came out. This was too out of line! Yun chujiu was slightly agitated. There must be a mystery behind this. Stay Calm, stay calm. She would definitely discover the secret inside.. Three-eyed Fire Fox noticed that Yun chujiu seemed to be thinking about something and did not dare to disturb her. It lay on the side with a stomach full of grievance and resentment. It really wanted bones, bones, bones.. Suddenly, Yun Chujiu jumped up with a bright smile on her face. That Damned Qi Ling, did she want to play with her? HMPH! When I catch you, I will teach you a lesson! Three-eyed Fire Fox saw the smile on Yun Chujiu's face and knew that the little pervert must have known where the entrance to the tenth level was. Hence, he asked carefully, "Little fairy, do you know where the entrance to the tenth level is?" The corners of Yun Chujiu's mouth curled up. "It's not far from the truth. It's all thanks to your reminder. Don't worry, I will definitely do what I promised." Yun chujiu looked at all the demon beasts again. "You guys escort me to the entrance to the eighth floor. When I get there, I will give you the pills." Those demon beasts were lying on the ground with their heads drooping. They felt that they were going to have to work for nothing this time. If the little pervert could not find the entrance to the tenth floor, he might cheat. They did not expect the situation to change, the little pervert seemed to have found the entrance to the tenth floor. However, why did she have to go back to the eighth floor? Could it be that the entrance to the tenth floor was on the eighth floor? This did not make sense. Normally, shouldn't the tenth floor be below the ninth floor? However, these demonic beasts were more concerned about the medicinal pills that they were about to obtain. They immediately escorted Yun chujiu to the entrance to the eighth floor. Yun Chujiu gave the things that she promised the demonic beasts to them and entered the entrance to the eighth floor. After Yun Chujiu reached the eighth level, she coincidentally met a purple-eyed wild lion that she had previously contracted with. Without much effort, she once again established a temporary contract. After that, everything went smoothly, she subdued the

demon beasts that she had encountered on the way here. Under their escort, she arrived at the entrance to the seventh level. Following the same routine, Yun Chujiu passed through the sixth level and then activated the concealment talisman to pass through the fifth level's cave..
