

## The Yun Family's Ninth Child is an Imp! Chapter 1297

Two days later, Yun Chujiu finally returned to the first level of the cave. This fellow was extremely tired, but time was limited, so she could only make use of it. Yun chujiu rested for a moment and ate something, then, she sneered and shouted, "Qi Ling! Do you think your little tricks can fool me? I'm not bragging, there is no one smarter than me in this world, whether it is humans or beasts, including you, this stupid Qi Ling!" There was no movement. "Idiot, do you think that I have returned to the first floor and I haven't found the position of the tenth floor?" There was no movement. "HMPH! Do you think I don't know? The tenth floor is right below the first floor cave! The so-called most dangerous place is the safest place, you are really smart this time! "No wonder, I blew up a big hole in the first floor and you jumped out. It turns out that I almost blew up your nest! "HMPH! "If you still don't get me in, I'll blow up the first floor. I'll make two floors into one!" After Yun Chujiu finished speaking, she held a sack in her hand and was about to blow it up. The weapon spirit that was hiding on the tenth floor was so scared that it quickly got Yun chujiu into the tenth floor. Yun Chujiu's guess was right. The tenth floor was hidden under the first floor's cave. When Yun Chujiu used the explosive talisman to blow up the three masked men, the huge vibration caused by the explosion almost scared the weapon spirit to the ground. Qi Ling, who was hiding on the tenth floor, was stunned, it thought that someone had discovered the location of the tenth floor, so it became angry out of humiliation and threatened Yun chujiu, wanting to make Yun chujiu lose her life. However, the Qi Ling never expected that not only was Yun chujiu still alive, but she had also guessed the location of the tenth floor. Wu Wu, this was a pervert! She was not human at all! Those stupid demonic beasts were clearly crushing this little trash with their spiritual power, so why did they end up becoming her henchmen? Each and every one of them was still feeling proud and eager? It was simply too eye-catching! Just as the tool spirit was feeling resentful, it felt itself being lifted up. The tool spirit struggled with its short legs. "Stinky Girl, let go of me! Otherwise, I'll teach you a lesson!" "Teach me a lesson? I'm already very good-looking, ten thousand times better looking than you! With a big belly and small arms and legs, I think you're just a radish spirit!" Qi Ling's face turned red. Yun chujiu said coldly, "Oh, you are still a radish spirit!" "Stupid girl! Don't think that I can't do anything to you! I will let the Demon Beasts eat you!" "Eat me? Do you believe that I have a way to let them eat you? Then I will bring them out of this crappy crypt and bring them out to see the colorful world outside." Qi Ling did not doubt this possibility, because those high-level demon beasts were simply too stupid to be saved in front of this little girl! "HMPH! Stinky Girl, quickly apologize to me, or else I will trap all of you in here forever, and you will not be able to leave this place for the rest of your lives." Qi ling was fierce on the outside but weak on the inside. "Alright! If I am trapped here by you, I will have the time to torture you properly. I will plant you in the soil and see if you can grow carrot leaves." Qi Ling was trembling. It was not a radish. How could it grow a radish leaf? ! It was so angry! While Qi Ling was trembling, yun chujiu said, "Little radish, you don't have to worry about not growing a leaf. When the time comes, I'll get those Demonic Beasts to fertilize you!" Qi ling was stunned for a moment and almost fainted from anger! He was so angry! This pervert! This bastard!
