

The Yun Family's Ninth Child is an Imp! Chapter 130

Yun Chusi and the others were shocked and stood up in panic. Only Yun Chujiu was still squatting on the ground, slowly chewing on the rabbit leg. The little black bird next to her was also eating, eating, and eating without raising its head!

“Yun Chujiu! You are still eating? ! You Are Really Lawless! ” Someone kicked over the grill and the roasted rabbit fell to the ground. The person even stepped on the roasted rabbit.

Yun Chujiu's eyes flashed. She looked up and saw three people standing in front of her. The person in the lead was a middle-aged man with triangular eyes. Yun chujiu felt that he looked familiar, but she couldn't remember where she had seen this person before. The person in the lead was a middle-aged man with triangular eyes, and he looked like he was from San Jiaoyan.

“What are you looking at? ! You, a trash without spiritual power, can enter the Ling Hua sect like smoke rising from your ancestors' graves. You actually dare to come to the back of the mountain and light a fire to roast meat. You Don't know what's good for you! ” The man saw that Yun Chujiu was still squatting on the ground, he raised his leg and kicked at Yun Chujiu.

“Ah! Little Jiu! ” Yun Chusi and the others cried out in shock. It was already too late to stop her.

A trace of sternness flashed across Yun Chujiu's eyes. She lightly jumped to the side, and the rabbit leg in her hand, which she had yet to finish eating, landed on the man's face.

The man did not expect that Yun chujiu would actually dare to resist. He was momentarily careless and was hit by the rabbit leg. Although Yun Chujiu was thin, her strength was not small, and the man's face instantly swelled up.

The man was stunned at first, then his triangular eyes stood up. “Good! Yun Chujiu, you are rebelling! You openly attacked a law enforcement disciple. Yun Chujiu, just wait to be expelled from the Linghua faction! Take her away! ”

Yun chujiu snorted coldly. "Wait! I was scared by you just now, so I let go of the Rabbit's leg! It was just your bad luck that it hit you! What does it have to do with me? ! "!

"Also, what right do you have to say that we violated the sect rules? "? "Which sect rule says that you are not allowed to eat roasted rabbit? "? "Besides, you said that you are disciples of the Law Enforcement Hall, so you are? "? "What proof do you have? "

The triangular-eyed man's expression was ferocious, "Although the sect rule does not say that you are not allowed to eat roasted rabbit, open fire is prohibited on the back mountain, so you are openly violating the sect rules! This is our law enforcement token! Open your dog eyes and look! "

Yun chujiu took the token that the man threw over and took a look. It was indeed a law enforcement token, but it was only the law enforcement hall of the Western Peak.

"This is the law enforcement hall token of the Western Peak. Why did you come to the Middle Peak? "

"Humph! The Law Enforcement Hall of the six peaks has always taken turns to enforce the law in the Linghua sect. Yun Chujiu, stop quibbling! Take them away! " A fierce look flashed across the triangular-eyed man's eyes, take them back and 'entertain' them properly first. In any case, they would definitely be expelled from the Linghua sect the next day!

The two men behind San Jiaoyan saw this and were about to go forward and tie up Yun Chujiu and the others when Yun Chujiu jumped up and gave San Jiaoyan two tight slaps on the face. Then, she gave San Jiaoyan a fierce kick in the stomach.

This place was originally a gentle slope. The man directly rolled out a hundred feet away.

Whether it was Yun Chusi and the others or the people brought by San Jiaoyan, they were all dumbfounded! No one would have thought that Yun chujiu would start beating him up at the slightest disagreement!

San Jiaoyan's fall was not light, but it was only a few superficial injuries, he was so angry that he gritted his teeth. "Good! Good! Yun Chujiu, you actually beat up a law enforcement disciple in public. If I, Liu Qingzhen, don't chase you out of the Ling Hua sect, my surname Will Not Be Liu! Let's Go! Tomorrow, we'll take the arrest warrant to arrest her. Let's see if she still dares to disobey!"

San Jiaoyan saw that he wouldn't be able to gain any advantage today, so he called for the other two people to leave angrily.

"Little Jiu, what, what should we do?" Yun Chusi and the others looked at Yun Chujiu in fear.

"Don't worry, I have a way. Come, come, let's continue to roast the rabbits. There are still a few raw ones!" Yun Chujiu didn't care and started to build a fire again, starting to roast the rabbits.

Although Yun Chusi and the others were panicking, seeing Yun chujiu so calm, they didn't know why their hearts calmed down. Forget it, just listen to Little Jiu. Little Jiu will definitely have a good idea!
