

The Yun Family's Ninth Child is an Imp! Chapter 1329

Yun Chujiu now felt that there was nothing embarrassing about materializing a piglet, because this piglet was not an ordinary piglet. It was a piglet that had turned into a spirit. hahaha! Yun Chujiu felt very proud. If it was not because the conditions did not allow it, she would definitely bring out the Xiao Heiniao and let it see how awesome this piglet was! Ren Zhiyuan's mood wasn't so good. He swallowed a hemostatic pill and said, "This little girl is very evil! Kill her to avoid future trouble!" The guards of the Netherworld Palace attacked the palace mistress and Yun Chujiu again. Although Yun Chujiu's spiritual piglet was evil, it could still fight one-on-one. With so many people surrounding them, the spiritual piglet's help was limited, Yun Chujiu and the palace master's wife were forced to retreat to the edge of the cliff. They had no way to retreat. Fortunately, at this moment, Yun Chujiu sent the news of Xiao Hei through her spiritual sense. The array core of the eight-door golden lock array had been destroyed! Yun Chujiu's expression changed. If she could hold on for a while longer, the pretty boy would rush in. At that time, she and the old witch would be saved. Although Yun Chujiu's spiritual power was much lower than the palace master's wife's, it was a little easier for her to rely on the countless defensive spirit tools on her body. Yun Chujiu could not help but curse in her heart. This old witch, there must be a lot of treasures in the Temple of Immortals' treasury. You should have more defensive spirit tools on you, you're really stupid! This fellow did not even think about it. Who could be as perverted as her to have thousands of defensive spirit tools on her body? Moreover, her spiritual sense could not stand it. Therefore, besides protecting herself, Yun Chujiu also had to help the palace lord's wife from time to time. In any case, this fellow would let her attack as she pleased. At most, she would shatter a few defensive spirit tools. Dharma Protector Tao saw that they couldn't attack for a long time, so he joined the battle and went straight for the Palace Lord's wife. Dharma Protector Tao was at the sixth level of the spiritual venerable realm. The moment he joined, the palace Lord's wife became even more passive. Her body was also injured. Although it wasn't fatal, it was dripping with blood. It looked very horrifying. Seeing the palace master's wife like this, Yun Chujiu could only leap forward to help block Dharma Protector Tao and the others' attacks. Several spiritual power attacks landed on Yun Chujiu's body, and the defensive spiritual device on this guy's body began to crack, this guy's heart ached terribly, but he could not just watch the old witch get captured. Although the old witch's words were harsh, she was still not bad to her. Just as Yun Chujiu and the palace master's wife could not hold on any longer, Di Beiming rushed in with his men. Di Beiming waved his hand, and a huge spirit power ice dragon charged towards Dharma Protector Tao and the others. Dharma Protector Tao and the others hurriedly dodged in shock. The Spirit Power Ice Dragon turned around and bit towards Dharma Protector Tao. Dharma protector Tao turned pale with fright. Not only was this ice dragon huge in size, it actually had such intelligence. It was too terrifying. At the same time, the secret guards of the Temple of Immortals rushed over and forced Ren Zhiyuan and the others to retreat. Yun Chujiu and the palace master's wife could finally catch their breath. Di Beiming's body was full of killing intent. He did not dare to imagine what would happen if he came in a quarter of an hour later. These people deserved to die! Previously, Di Beiming's spiritual power was suppressed in the Qing Xuan continent, so this was the first time Yun Chujiu saw Di Beiming's real spiritual power. It was also the first time she saw the elegance of the top experts in the Tian Yuan continent. Although Dharma Protector Tao was at the sixth level of the spiritual venerable realm, in

front of di beiming, he could only parry without being able to fight back. In less than fifteen minutes, he was beaten by di beiming until he vomited blood and fainted. Two secret guards came forward to guard Dharma Protector Tao.
