

The Yun Family's Ninth Child is an Imp! Chapter 1338

Yun Chujiu gave the man in white a good thrashing. Then, the man put his hands on his waist and laughed out loud, "Gigolo, you have such a day? ! HMPH! Kneel down, don't get up until the sun sets!"

The Man in white obediently kneeled under the Sun. His face was surprisingly di Beiming's.

The little black bird had no strength to complain. Master, although you have suffered a lot from the gigolo in the past, if you have the ability, go and settle the score with the gigolo. Is it really interesting for you to fool yourself with such a toy?

Of course.., yun chujiu found it very interesting. "HMPH!"! I am going to rehearse this in advance. When I become the master in the future, I will torture the gigolo like this. It is not too late for a little girl to take revenge! "Number two, stop kneeling. Come here and let me kick you a few times. I will vent my anger."

Thus, Yun Chujiu kicked puppet number two a few times. Puppet Number Two was made from a tree trunk from the Great Void Mystic Realm. It was very flexible, so even though it was being tortured by Yun Chujiu.., it was still fine.

From this day onwards, Yun Chujiu started to torture number two's life.

This fellow felt that he finally had a place to vent his previous frustration. Xiao Heiniaio could not stand it anymore!

“Master, although number two is a puppet, isn’t it a little too much for you to torment him like this?”

Yun chujiu curled her lips. “How am I Too Much? Isn’t it just kicking him a few times for no reason, making him kneel and wash his clothes, and basking in the sun for no reason?”

Xiao Heiniaio looked at puppet no. 2 who was kneeling on the ground and was speechless. was he basking in the sun? There was a pretty boy on the left side of his face and di Beiyu on the right side. It looked like he was being tortured!

Yun chujiu was bickering with Xiao Heiniaio when di beiming suddenly appeared in front of Yun Chujiu.

Yun Chujiu was stunned. Then, she closed her eyes and mumbled, “An illusion! An illusion! This must be an illusion! How can a pretty boy appear here? I must be having an illusion because there’s something wrong with me!”

Xiao Heiniaio’s voice came from her divine sense, “Master, it’s really the gigolo!”

Yun chujiu still did not dare to open her eyes, but her eyelids kept twitching. This guy knew that he was going to die! ! !

Di beiming sneered, “Xiao Jiu, I thought you helped me beat my legs and pour tea from the bottom of your heart. I didn’t expect you to think that I was torturing you? Huh?”

Kicking you a few times? Washing clothes on your knees? Pretty Boy? Di Beiyu? Huh?”

Yun chujiu could only force herself to open her eyes, “Aiya! My dear Prince Charming, my dear brother beiming, you’re here? I’ve missed you so much! Come, give me a kiss First!”

Xiao Heiniao couldn’t bear to look at her anymore. It had been a long time since he saw his master being so obsequious. Master, this is all your own doing. You should seek your own fortune!

Di beiming turned his body to the side to avoid Yun Chujiu’s kiss. He snorted coldly and said, “Don’t give me that. Can you explain to me what the hell is that thing kneeling on the ground?”

Di beiming was so angry that he was about to explode! Yun Chujiu’s birthday was almost over. After he greeted Dean Huangfu, he activated the concealment talisman to give Yun chujiu a surprise, who would have thought that he would see a thing that looked exactly like him being tortured by Yun Chujiu! When she saw the words written on the face of the thing, she could not stand it anymore and revealed her figure.

Yun chujiu was in the wrong, she could only smile and say, “My Prince Charming, isn’t this just to entertain yourself! If you don’t vent your anger, I will make a puppet that looks exactly like me and give

it to you tomorrow. You can do whatever you want. Even if you make it kneel every day, I will not be angry.”
