

The Yun Family's Ninth Child is an Imp! Chapter 1339

Di beiming snorted coldly, "I'm not as boring as you! You Don't cultivate properly for a day and you only know how to mess around! If you do this, when will you be able to enter the top 100 of The Prodigy Roll?"

"Hehe, Prince Charming, are you in a hurry to marry me? Don't worry, I'll definitely cultivate properly. Isn't this a bottleneck? That's why I created this little thing. Although I have some small thoughts to vent my anger, doesn't it also indirectly mean that I miss you? I created this thing to relieve the pain of lovesickness!" Yun Chujiu said with a face full of admiration.

Xiao Heiniao's admiration for its black-hearted master was like a torrential river. It really knew how to speak! This time, the gigolo would definitely not let it go!

As expected, when di beiming heard yun chujiu's "Heartfelt words", his anger dissipated a lot, he snorted coldly, "This is the only time. It Won't happen again! Destroy this damn thing immediately! It actually looks exactly like me. This is outrageous!"

Although Yun Chujiu's heart ached, in order to not be cleaned up, she could only take out the puppet plate from Puppet No. 2 and let Xiao Heiniao burn it into ashes.

Only then did di beiming remember to ask, "What is this? Is it a puppet? Is there such a puppet?"

Yun Chujiu was immediately energized. She took out puppet No. 1 and showed off.

“You are too bold! What if something really happens?” After listening to Yun Chujiu’s explanation of the production process, Di Beiming was so angry that he slammed the stone table. The stone table shattered.

Yun Chujiu was so scared that she shrank her neck. However, she knew that Di Beiming was thinking of her. Otherwise, he would not be so angry. Even Puppet No. 2 did not make him so angry.

“Prince Charming, I know what to do. Didn’t I absorb the remnant soul of the nine-tailed Fox last time? I was thinking that this divine sense can be increased, but it can also be reduced. When I separated, I tried it bit by bit until there were no problems. Only then did I completely separate. “Don’t be angry. I won’t mess around next time.” Yun Chujiu was like a bullied wife, she said carefully.

Di Beiming was still angry and ignored her.

Yun Chujiu eagerly took out a stone table from her storage ring. Then, she massaged her shoulders, poured tea, and hammered her legs. She was very attentive.

Xiao Heiniaoy covered his mouth with his wings and almost laughed out loud. This was karma. Just a moment ago, he had ordered Puppet No. 2 to be taken care of, but now, the evil master had done it all.

“Prince Charming, why are you here? Are you thinking that I don’t want it anymore?”

Di beiming's anger had almost subsided. This time, he did not rebuke Yun Chujiu. He took out a box from his storage ring and said, "This is my parents' birthday gift to you."

Yun Chujiu's eyes lit up. She opened the box and saw a beautiful jade hairpin and a jade token inside. Obviously, the jade hairpin was given by the Palace Master's wife, and the jade token was given by Di Linhan.

Yun chujiu almost wanted to cry!

F * ck, a long-time wife turned into a mother-in-law!

The Pretty Boy's shameless parents had finally been taken down by her!

"Prince Charming, then what gift did you give me?" Yun Chujiu asked sneakily.

Di beiming snorted coldly: "I didn't punish you just now because I gave you a gift!"

“Prince Charming, actually, you being able to come is the best gift you can give me! You Don’t even know that I miss you day and night. Even in my dreams, it’s you.”Yun chujju spouted nonsense shamelessly.
