

## The Yun Family's Ninth Child is an Imp! Chapter 1340

Although di beiming knew that Yun Chujiu was trying to please him, he still felt very comfortable when he heard Yun Chujiu's words. The corners of his mouth could not help but curl up.

After Yun Chujiu caught a glimpse of it, she was very pleased. HMPH, the gigolo was the same as the old witch. They both had the character of a tortoise. She had the best experience in dealing with such people. She would just have to smooth things over.

"Prince Charming, how long can you stay with me this time? I really want to be with you all the time. You can stay with me for a few more days." Yun Chujiu decided to continue her efforts. No matter what, she had to get the gift.

Di beiming said with a little disappointment, "I am naturally willing to stay with you for a few more days. However, there are many people with high spiritual power in the Tianyuan Institute. If I stay for a long time, I am afraid that I will be discovered by others. When that time comes, it will not be good."

"Prince Charming, why didn't you come back in the name of returning to the school like last year?"

Di beiming snorted with disdain, "It was only the idea of that idiot Xue Wuji. It's fine if it's just once, but if it's used again, someone will definitely suspect it."

"Oh right, Prince Charming, why hasn't there been any news about brother Wuji recently?"

Di beiming smiled meaningfully. "I heard that the sect master of the Blood Devil sect is forcing Xue Wuji to get married. I guess he can't take care of himself anymore."

"What? Brother Wuji is Getting Married?" Yun chujie who was sitting on the chair suddenly stood up.

Di beiming's face immediately darkened. "Xue Wuji is getting married. Why are you so excited? Do you have any other thoughts?"

The sour tone in di Beiming's words could even be felt by the little black bird on the tree. Yun chujie naturally knew that Xiao Heiniang had misunderstood again, hence, she explained, "Of course I don't have any thoughts, but I still want to leave brother Wuji to Qi Qi. If he marries, what will happen to Qi Qi?!"

The corner of di Beiming's eyes twitched violently. That Yun Qi was still in the modern era, yet you want to leave her? If she could not go to the Tian Yuan continent for the rest of her life, could it be that Xue Wuji could not get married for the rest of his life?

Yun chujie also felt that her idea was not very realistic, she said embarrassedly, "I always feel that I will see Qi Qi again. However, since brother Wuji is going to get married, I will introduce someone else to Qi Qi then. Actually, brother mermaid is not bad, but I don't know where he is locked up."

“Oh right, Prince Charming, there is a new student in our class. Besides the color of his eyes, he looks exactly like brother mermaid. Unfortunately, I tried to test him a few times, but there was no response. I think it’s just a coincidence.”Yun chujiu sighed.

Di beiming raised his eyebrows. “He looks the same as that mermaid? What’s his background? Why did he suddenly come to your class?”

“I heard that he did well in the entrance exam and skipped a grade. He seems to be some young master of the LAN family in the far north. He’s like an invisible person every day. Although he’s my deskmate, we haven’t talked much.”Yun Chujiu said nonchalantly.

Di Beiming’s heart skipped a beat. He felt that things were not that simple.

Since his grades were good and he skipped a grade, why didn’t he enter the Heavenly Class? Why did he choose the yellow class instead? Why did he specially become Little Nine’s Deskmate? ! Damn it, Little Nine’s deskmate could only be the main body. who was he? !

The Lan family in the far north could be said to be able to summon wind and rain in the far north. Why did they travel hundreds of thousands of miles to come to Tian Yuan Academy to study? And they just happened to enter Little Nine’s class and become Little Nine’s Deskmate?
