

The Yun Family's Ninth Child is an Imp! Chapter 1341

Although di Beiming's heart was in turmoil., he said calmly, "Little Jiu, although the Yin family has been very quiet recently, it's inevitable that they will take action again. Moreover, the Netherworld Hall might attack again, not to mention that the Divine Devil Hall is still waiting in the dark for an opportunity to strike. So, you have to remain vigilant and not trust others easily."

Yun chujiu blinked her eyes and immediately understood di beiming's meaning, she nodded and said, "Although LAN Luo Chen looks similar to Big Brother Mermaid, to me, he is just a classmate. Moreover, he is not as close to the other students in the Huang Class."

Di beiming was very satisfied with Yun Chujiu's attitude. As for Lan Luo Chen, he would naturally send his underlings to gather information. If there was nothing unusual, it would be fine. But if he found out that something was wrong, even if it was a faction in the northernmost region., he would get rid of it as well.

Yun chujiu saw that di beiming did not mention the birthday present. She rolled her eyes and said, "Prince Charming, I didn't expect aunt and uncle to give me a birthday present. They are so good to me! I am so touched!"

Di beiming felt funny in his heart. He naturally understood that Yun chujiu was beating around the bush to test the present he gave her. He nodded lightly.

Seeing that di beiming did not take the bait, yun chujiu continued, "Sigh, brother Wu Ji is forced to get married. I don't think he will come to give me a birthday present. It seems that I can only get these two birthday presents for my birthday this year."

Di beiming hummed in agreement again.

Yun chujiu cursed in her heart. Humph, what the hell? ! You Gigolo, you clearly know what I want to ask, but you just won't say it. I'm so angry!

While Yun Chujiu was fuming with anger, di beiming took out a box and gave it to yun chujiu, "Your birthday present."

Yun chujiu immediately smiled like a flower, "My Prince Charming, you are too polite! I knew my Prince Charming would definitely give me a birthday present."

Yun chujiu couldn't wait to open the small box. Inside was a purple jade pendant with a strange fish on the back. It proved that there was an "Di" character.

Yun chujiu asked curiously, "My Prince Charming, what is this jade pendant for?"

"You can take this jade pendant to the temple of Immortals for free. Are you satisfied with it? If not, I can change it to another gift for you."

“Yes, yes, I’m very satisfied!” Yun chujie quickly put the jade pendant into her storage ring. What a joke! She would be a fool if she did not like it! With this jade pendant, did she have anything she wanted? Another day, she would go to the Temple of immortals’ shop to plunder!

Di beiming had originally planned to stay for a little longer, but unfortunately, Yun Chujie’s identity jade pendant started to tremble, and she requested that all students above the second grade immediately gather at the Tianyuan Square.

Seeing this, Di beiming had no choice but to flirt with Yun chujie for a while, then activate the concealment talisman and leave.

After Yun chujie arrived at the Tian Yuan Square, she realized that other than the new students, all the students had arrived. Did Something Happen?

Very quickly, Yun chujie found out the answer. It turned out that the Great Wilderness Mystic Realm had appeared.

“The time when the Great Wilderness Mystic Realm appeared is not fixed. It has been thousands of years since it last appeared. Today, it actually appeared in the Tian Yuan Academy again. I have to say that you guys are lucky. Such an opportunity is not something that every batch of students can catch up to. You guys must seize the opportunity...”
