

## The Yun Family's Ninth Child is an Imp! Chapter 135

There were still some disciples who had not left the cafeteria. When they heard the commotion, they all ran out to watch the commotion.

Although they did not care about the people in the cafeteria, and they usually yelled a lot, no matter what, this was Middle Peak's territory. If the people from the West Peak came here to show off, would it not be a slap to the face for Middle Peak?!

Seeing that more and more people were watching, Yun Chujiu jumped onto a big rock with a whoosh. Her small face wrinkled, and she said with a grievance, "Senior Brothers and sisters, the seven of us were just assigned to Middle Peak's big kitchen last night. As it was too late, the canteen was already closed. We were so hungry that we thought of going up the mountain to find some wild fruits to satisfy our hunger.

"Unexpectedly, as soon as we reached the top of the mountain, a few bolts of lightning came down from the sky and struck the trees nearby!! The few of us looked at it and realized that this was our Middle Peak's property. How could we just stand by and watch?"

"Thus, we spent a lot of effort to put out the fire! Just as we were about to head back, guess what we discovered?" Yun Chujiu kept them guessing in a mysterious manner.

Everyone's appetite was raised. They widened their eyes and pricked up their ears to continue listening.

"We discovered that the lightning coincidentally killed a nest of rabbits. We were already hungry, so how could we endure the smell of roasted meat? Thus, we ate the rabbit meat there. Who would have thought that Liu Qingzhen brought two people up to scold us without any reason, saying that we were going to set fire to the mountain and drive us out of the sect.

"Hearing what he said, we were immediately frightened and hurriedly tried to explain. However, he didn't listen to our explanation at all and wanted to tie us up and take us to West Peak.

“We let that be, but kept foul-mouthing us, saying that those in Middle Peak were all losers and that we’re useless. Originally, we wanted to endure it but hearing what he said made us instantly furious! It’s fine if he wronged us, but he actually dared to insult Middle Peak. Thus, we started arguing with him.

“We don’t know if he’s guilty or not, but he missed a step and slipped down a small hill. We thought that this matter would be settled, but unexpectedly, he actually called a deer a horse and slandered us for beating up law enforcement disciples. Everyone, don’t you think he’s bullying us too much?”

Although Yun Chusi and the others cooperated with her and revealed an aggrieved and angry expression, their hearts felt as if thousands of divine beasts were whizzing past them!

‘Little Jiu, you really aren’t human!’

‘Your lies are too smooth!’

‘If we weren’t the parties involved, we would all think that what you said was true!’

“F\*ck! Those bastards from the West Peak are such bullies, aren’t they?! Are they bullying us for being nobodies?!”

“That’s right! What’s wrong with West Peak’s Law Enforcement Agency?! What does it have to do with you guys if we eat a few rabbits that were killed by lightning? Could it be that the rabbits are your ancestors?!”

“Damn it! Why didn’t you fall to your death? ! How dare they come to us and bite us back! Get lost!”

...

Yun Chujiu's eyes lit up. 'F\*ck, the people from Middle Peak are really to my liking! The scolding was too good and was so technical! She added fuel to the fire!'

"Senior Brothers and sisters, we, the individuals from Middle Peak are reasonable people. Don't listen to my words. Let Liu Qingzhen say something! Liu Qingzhen, tell me. Is what I said true?" Yun Chujiu pointed at Liu Qingzhen, who was so angry that he almost passed out.

Liu Qingzhen had already been helped up by someone. When he heard Yun Chujiu's nonsense, he was so angry that he wanted to scold her. However, he was shocked to find that no matter how hard he tried to talk, he could not say a word! He was so furious that his face was red. However, he could not say a single word!
