

The Yun Family's Ninth Child is an Imp! Chapter 1350

Just as Yun Chujiu was complaining, Bai Mantou woke up. He picked up his sword and rushed towards Yun Chujiu. "Stupid girl, I'm going to kill you!"

"If you don't want that weak water, you can kill me. I don't care," Yun Chujiu said lightly.

Bai mantou heard "Weak water" and stopped in his tracks. "Stupid girl, give me weak water immediately and I'll let you go. Pretend this never happened."

Yun chujiu thought to herself, I want to return it to you, but that damned Gou Weiba won't spit out Ruo Shui Again! However, in order to escape, she still had to deal with this Bai Mantou.

"Bai Mantou, I can hand over Ruo Shui to you, but before that, I have a question. Tell me, are you stupid to the core? Why did you build the palace under the river? It's fine if you built it under the river, but don't you know how to set up some powerful array formation to protect the palace? Besides, as a Qi Ling, are you afraid of those aquatic demon beasts? Aren't you a little too useless?" Yun Chujiu said disdainfully.

"What do you know? I'm not afraid of them! I just like peace and quiet, HMPH! Besides, since there's such a good barrier, why do I need to waste my energy to deal with them? Cut the crap and hand over ruo shui quickly, or I'll kill you."

“If you let me go, I’ll hand Ruo Shui over to you. Otherwise, you won’t be able to get Ruo Shui,” Yun Chujia said lightly.

“No! Hand over Ruo Shui first, then I’ll let you go. Otherwise, what if you lie to me?” The white steamed bun rolled its eyes. Trying to lie to me? No Way!

Yun Chujia glanced at it. “I can swear on my inner demon oath. Heaven above, if Bai Mantou lets me go, if I don’t hand over Ruo Shui to Bai Mantou, I will be struck by heavenly lightning for 10 hours without rest!” “Is this alright?”

Bai Mantou thought to itself, with the Inner Demon Oath, it was not afraid that the brat would go back on her words. It was fine to let her go. Therefore, Bai Mantou opened the cage and removed the rope from Yun Chujia’s body.

Yun Chujia realized that her spiritual power had recovered, and a cunning look appeared in her eyes. Bai Mantou, it’s time for us to settle the score!

“Stupid girl, I’ve already let you go. You can leave Ruo Shui to me!”

“Leave it to you? Leave it to your big head! You Damn Bai Mantou, how dare you tie me up with the rope and lock me in the cage. You even pointed your sword at me. I’ll beat you to death! I’ll turn you into a white pancake!” Yun Chujia took out a rolling pin and smashed it at Bai Mantou.

Bai Mantou did not expect Yun chujiu to smash it without saying a word. She was hit by the rolling pin and was instantly smashed into a white pancake!

“Stop! Stop! Aren’t you afraid of being struck by lightning?” Bai mantou shouted in exasperation.

Yun chujiu smashed the rolling pin down again. “I’m sorry, I’m really not afraid of being struck by lightning. If you have the ability, let lightning strike me!”

Bai Mantou was so angry that he almost fainted. “You’re talking nonsense! How can you not be afraid of being struck by lightning?”

“Believe it or not! Anyway, I’ll Kill You First!” Yun chujiu smashed the rolling pin down again.

Although Bai Mantou did not believe that Yun Chujiu was really not afraid of being struck by lightning, in order to save her life.., it shouted, “Stop! Stop! If you don’t stop, I’ll trap all of you in this great wilderness mystic realm and sink into the void with me!”

Yun chujiu put away the rolling pin when she heard Bai Mantou. She was not afraid of the threat of Bai Mantou, but she was more interested in the so-called sinking into the void.
