

The Yun Family's Ninth Child is an Imp! Chapter 1351

"Bai Mantou, what do you mean by sinking into the Void?" Yun Chujiu asked in confusion.

Bai Mantou thought that Yun Chujiu was afraid, and his body swelled up into a white mantou again, he said proudly, "Sinking into the void means that you don't belong to any space-time, nor do you belong to any world. Do You Know Fear Now? HMPH! You want to fight with me? Hurry up and hand over Ruo Shui! Otherwise, you'll never be able to get out!"

Hearing this, Yun Chujiu finally dispelled the doubts in her heart. No wonder after some secret realms or divine artifacts disappeared, it was hard to find anyone. It turned out that they were not in the same world at all.

Seeing that Yun Chujiu was silent, bai mantou shouted arrogantly, "Hey! Stinky girl! Did you hear what My Qi Ling said? Hurry up and hand over ruo shui, or else..."

Yun chujiu once again smashed Bai Mantou into a white pancake with a rolling pin. "Bai Mantou, I'll tell you the truth. You Don't even have Ruo Shui Gate. Hurry up and send me out, or else I'll Smash Your Palace into pieces!" "You don't have to think of trapping me in the grand desolate realm. Anyway, I know that your palace is at the bottom of the river. When the time comes, I'll bring some people to turn your palace into ruins. If you don't believe me, Let's try it!"

Bai Mantou rolled its eyes in anger and actually fainted again!

Yun chujui poked Bai Mantou with a rolling pin. Seeing that it had really fainted, the fellow began to search the palace. Unfortunately, there was nothing in the palace except for the bluestone and the walls. Yun chujui was so angry that she, uh., she put the cage that locked her into her storage ring. She could not return empty-handed anyway.

Just as Yun Chujui put the cage into her storage ring, Bai Mantou woke up. Bai Mantou had already confirmed one thing with extreme sadness. Ruo Shui wouldn't be coming back! This stupid girl was too cunning!

However, in my territory, wouldn't it be easy for me to take care of you? Let's wait and see!

Therefore, bai mantou said helplessly, "Alright, since things have come to this, I won't make things difficult for you. I'll send you out now."

Yun chujui sneered in her heart. This Bai Mantou definitely had no good intentions. However, was he trying to trick her? At worst, she would activate her identity jade token and go out.

Bai Mantou formed a hand seal with both of his hands, and Yun Chujui disappeared from where she was. Then, when he turned around, he realized that the cage was gone, he was so angry that he stomped his feet. "Shameless! Shameless! He actually stole my heaven imprisoning cage in front of me. It's really too detestable! "But, little girl, you will definitely die in this great wilderness mystic realm. When that time comes, everything on you will be mine!"! "HMPH!"

When Yun Chujiu saw the scene in front of her, she knew what Bai Mantou was planning. So he wanted her to be eaten by the demon beast.

TSK TSK, how sinister. He was just short of sending her directly into the Demon Beast's mouth.

Yun Chujiu was currently in a cave. On the ground was the corpse of a wild unicorn bull, surrounded by five level 26 wild wolves.

These five wild wolves were originally tearing up the beef on the ground. They did not expect that a human girl would appear out of nowhere while they were eating. They were also a little dumbfounded.

Hence, the five wolves and Yun chujiu stared at each other and did not move for a moment.

Yun chujiu stretched out her claws and waved them. "Hey, are you eating? Continue eating, I'm leaving! I'll Never See You Again!"

After Yun Chujiu said that, she jumped over the head of a wild wolf. Only then did the five wild wolves come to their senses and pounced on Yun chujiu while howling.
