

## The Yun Family's Ninth Child is an Imp! Chapter 1354

When Yun Chujiu saw that the two wildfire tigers were really standing still, she let out a sigh of relief. It seemed that these two wildfire tigers were more curious than the five wolves from before. She had to think of a way to stall for time. Lie Yan and lie Yan had been waiting for a long time, otherwise, with her current physical strength, there was no way for her to escape.

“Lord Tigers, I am definitely not your match. Let me live a little longer. I will tell you something strange. You will definitely be very interested in it. It is about the weapon spirit of this great wilderness mystic realm,” Yun Chujiu said mysteriously.

Lie Yan and lie Yan were indeed very interested. They cried out twice and signaled Yun Chujiu to continue.

“You must know that there is a very wide poisonous river in this great wilderness mystical realm, right? No matter what kind of animal falls into it, it will be corroded clean. TSK TSK, it's really too scary!”

Lie Yan and lie Yan nodded. It was obvious that they knew about the poisonous river.

“My Lords, to be honest, although my spiritual power is very weak, I am the kindest person. I think this poisonous river is too dangerous! “If this river is not poisonous, my lords, can you go to the river to play? “Can you get a few demon beasts in the water to quench your thirst?”

Lie Yan and Yun Chujiu could not help but reveal yearning expressions. Although there were several other sources of water in this secret realm, none of them could compare to the river. It would be great if the river was not poisonous.

Yun chujiu saw that the two wild fire tigers were fantasizing about a beautiful vision, so she decided not to continue talking. She quietly adjusted her breath and tried to recover some of her physical strength and spiritual power.

The two wild fire tigers fantasized about a beautiful vision for a while. Seeing that Yun Chujiu did not continue talking, they roared in displeasure.

“I saw that the poisonous river was so harmful to the beast. Out of righteous indignation, I decided to eliminate the beast. Coincidentally, I have a treasure that can absorb all the toxins, so I took out the treasure and absorbed all the toxins in the river. Now, the river has become non-toxic.”

The two Wild Fire Tigers roared angrily. Clearly, they thought that Yun Chujiu was talking nonsense. Lie Yan was lying, yun chujiu quickly said, “Lord Tiger, how would I dare to lie to You? If you don’t believe me, you can go and take a look.” “Moreover, Lord Tiger, this is a once-in-a-lifetime opportunity. Right now, in the Great Wilderness Mystic Realm, besides me and Qi Ling, only the two of you know this news. You can occupy an advantageous position on the side of the river. When that time comes, there will be countless demonic beasts coming to the river to drink. Are you still worried about the food problem?”

Two Savage Fierce Tiger some heart is moved, but this smelly wench can be in lie Yan Them?

Yun chujiu saw the hesitation of the two wild fire tigers, lie Yan, so he said, "Two Tiger Sirs, I am so weak, are you still afraid that I will run away? If I really can't, I will go with you. If I lie to You, you will eat me!"

The two Wild Fire Tigers roared at each other. It was obvious that they were discussing. Lie Yan and Yun Chujiu looked at each other. The river was obviously very attractive to them. Therefore, they roared at Yun chujiu a few times, indicating that they should go with them.

Therefore, Yun Chujiu was sandwiched between the two wild fire tigers, one in front and one behind, and they walked towards the direction of the river.

Yun Chujiu was secretly happy. It was all thanks to these two stupid tigers. Otherwise, she would have really found the direction of the river. White steamed bun, how dare you lie to me? See How I retaliate against you!
