

The Yun Family's Ninth Child is an Imp! Chapter 1360

Thinking of this, Yun chujiu dashed toward the place where the colorful snake mushrooms grew. When she reached the place, Yun Chujiu struck a tree next to her with lightning, and a burnt mark immediately appeared on the tree trunk.

“Little loaches! I’m warning you. If you dare to come any closer, I will completely destroy your mushrooms. I will make sure that you will never see these mushrooms again for the rest of your lives,” Yun Chujiu said arrogantly while setting up a defensive barrier.

The snakes hissed and hissed angrily. It was obvious that they were about to explode from anger. However, looking at the scorched marks on the tree, if the smelly girl really wanted to fight to the death, she would really destroy the mushrooms. In that case.., their gains would not make up for their losses.

The snakes did not dare to go forward and attack. Yun chujiu also did not dare to really destroy the mushrooms. The two sides were in a stalemate.

Yun chujiu raised her spiritual energy barrier and simply took out her weapon refining furnace to start making puppets. Damn it. Anyway, she still had a ready-made puppet disk in her storage ring. After she finished making puppet number two, she would kill these damn snakes.

The snakes didn’t know what Yun Chujiu was going to do, so they didn’t dare to attack recklessly. They were afraid that Yun chujiu would really destroy the mushroom field.

At this moment, the other half of the snakes crawled back. Yun Chujiu's heart sank. She didn't know how puppet No. 1 was doing. Since the snakes had come back, puppet no. 1 was either destroyed or had run out of spiritual stones.

Although puppet No. 1 was just a dead object, Yun chujiu still couldn't bear to part with a trace of Yun Chujiu's spiritual sense on the puppet disk. Forget it, she would solve the current situation first and then go check it out.

Yun chujiu had been in a stalemate with the snakes for six hours. The snakes couldn't hold it in any longer. A wild seven-colored striped snake shot a stream of venom at Yun Chujiu's defensive barrier.

Yun Chujiu's eyes darkened. She waved her hand, kacha directly cut the roots of a large mushroom into charcoal. "I'm warning you. I'm not playing around with you. If you attack me, I'll destroy a mushroom. If you don't believe me, Try Me."

Yun Chujiu's lightning strike immediately shocked the snakes. The snakes did not dare to attack Yun Chujiu anymore. They hissed and hissed their tongues as they discussed what to do.

Yun chujiu tightened her hands. Fortunately, she had a puppet disk ready. After the puppet was completed, Yun Chujiu placed the puppet disk inside and placed a few supreme-grade spirit stones on it. Then, the iron puppet opened its eyes, puppet 2 is complete!

At this time, the snakes also came up with a strategy. They surrounded Yun chujiu layer by layer, so that even if Yun chujiu used lightning, it would only hit them, not the mushrooms.

Yun Chujiu also do not and they ink, directly release puppet No. 2, and then release three half-xiao Hong Red Fox let it immediately began to howl.

The three-tailed and half-small red fox immediately began to howl. Yun Chujiu took advantage of the time when the snakes were in a daze to release several piglets of spiritual power. These piglets of spiritual power went straight for the seven inches of the snakes.

As the snakes were affected by the cries of the three-tailed and half-small red fox, their reactions were slow by half a beat. Immediately, a few piglets of spiritual power succeeded in killing Xiao Hong.

Yun Chujiu's spirits were greatly boosted. Killing one would result in one less piglet. It was just that puppet no. 2 was too thin. It would be great if puppet No. 1 could come back.

Yun Chujiu's eyes lit up. She took out Xiao Hei and gave it a few instructions. Then, Xiao Hei burrowed into the ground and disappeared.

Yun Chujiu's original intention was to let Xiao Hei find puppet no. 1. If puppet No. 1 ran out of spirit stones, she would let Xiao Hei put on top-grade spirit stones so that puppet No. 1 could come back and participate in the battle. unexpectedly., xiao Hei made an unexpected discovery.
