

The Yun Family's Ninth Child is an Imp! Chapter 1372

Lan Luochen trembled slightly as he took the purple sunflower grass from Yun Chujiu. His eyes were red as he sobbed, "Yes, this is the purple sunflower grass. After searching for so many years, I've finally found it!"

After Lan Luochen calmed down., he said to Yun chujiu, "There's no need to thank me. This storage ring contains one billion upper-grade spirit stones. It's a small token of my appreciation. If you need me in the future, just say the word and I'll do my best."

Lan Luochen had already prepared for Yun Chujiu to pretend to reject him. Then, he saw Yun Chujiu put away the storage ring without hesitation, then, he said with a smile, "You have to keep your word. This purple sunflower grass is something that I've asked for with great difficulty. In the future, if I need you, you're not allowed to refuse."

The corner of Lan Luochen's eyes twitched and he nodded, "As long as you make a request, I will do it."

Perhaps because his mother's illness could be cured, although Lan Luochen's temperament was still a little melancholic, he was clearly more worldly than before. Occasionally, he would talk to the students of the Huang class, he would even occasionally smile.

This smile was not a big deal. Many female students were instantly mesmerized and attracted even more suitors.

Yun chujiu could not help but be secretly happy. It seemed that it was not a good thing to look too good. Just like how Lan Luo Chen and the gigolo were so troubled that people would stare at them like flies whenever they were free.

However, her looks could be considered to be devastatingly beautiful. Why was no one mesmerized by her?

On this day, Yun Chujiu voiced out her doubts. Then, she saw the faces of Feng Ming and the other two stiffen, finally, Feng Ming considered his words. "Junior sister Xiao Jiu, you are indeed peerlessly beautiful, but, but, but we ordinary people really can not bear it. Only a heaven's favorite like your esteemed self is worthy of you."

Yun chujiu was not stupid. She naturally understood Feng Ming's subtext. F * CK, he just despised me for being too valiant? ! HMPH! Poor taste! The gigolo was still the best. When she was the darkest, ugliest, and most useless, he had already seen through her and fell in love with her at first sight. Then, he pursued her in every way possible..

Xiao Heiniaoyang was speechless. Master, don't you feel guilty saying this? Who was the one who hugged the gigolo's thigh and said that he adored her? Who was the one who sent love letters and wrote love poems?

Ever since Yun Chujiu sold the purple sunflower grass to Lan Luo Chen, Lan Luo Chen had been looking for Yun chujiu more frequently. Yun Chujiu was also happy to have someone listen to her, so the two of them got along very well.

Feng Ming found that Lan Ruochen frequently entered and left Yun Chujiu's courtyard, and Yun Chujiu's impression of Lan Ruochen was getting better and better. He was a little conflicted. He remembered what Di Beiming had told him and gritted his teeth, he decided to become a traitor.

After receiving Feng Ming's voice transmission talisman, Di Beiming was so angry that he smashed the table into pieces with a slap!

Three days later, Tianyuan Academy was in an uproar. The esteemed one had arrived!

Originally, many female students had already transferred their love for Di Beiming to Lan Ruochen. However, when they saw Di Beiming, who was as cold as a god, they immediately felt conflicted!

Oh My God, one ice and one water, which one should they choose? It was really too complicated!

Di Beiming and Dean Huangfu chatted for a moment before they got up and walked towards the dormitory area.

Everyone was extremely curious. Why didn't your esteemed self go to the guest room to go to the student dormitory?

Everyone followed behind and saw di beiming arrive outside Yun Chujiu's courtyard. Everyone understood that the palace master's wife must have asked your esteemed self to send something to Yun Chujiu again. The palace master's wife was really good to Yun Chujiu!
