

## The Yun Family's Ninth Child is an Imp! Chapter 1374

When the atmosphere was tense., lan Luochen said calmly, "Your Excellency, Yun Chujiu and I are classmates. It shouldn't be inappropriate for us to drink tea after class and exchange our cultivation experiences, right? "If Aunt Ye is dissatisfied, I'll ask my mother to explain it to her in person another day."

Aunt Ye?

Everyone, including Yun Chujiu, was stunned. The wife of the palace lord was called Ye Jinse. Why did Lan Luochen call her Aunt Ye? And he even asked his mother to pay a visit. Could it be that Lan Luochen's mother knew the wife of the Palace Lord?

Di beiming understood the reason. It was only when he investigated Lan Luochen this time that he found out that Lan Luochen's mother was one of Di Linhan's three junior sisters, Chu Lingyun.

Ever since the palace Lord's wife and Di Linhan got married, the palace Lord's wife had used all sorts of methods to make di Linhan basically cut off all contact with his three junior sisters. They had not contacted each other for many years, if it wasn't for di beiming sending people to investigate the LAN family in detail, he really wouldn't have known about this relationship.

"Young Master Lan, Little Jiu is pure-hearted and doesn't know that people are evil. That's why my mother is very worried about her. She hopes that you will stay away from her in the future."Di beiming had never been a person who gave people face, when he saw that Lan Luochen had taken the initiative to send himself to his death, he naturally wouldn't be polite.

Lan Luochen smiled faintly, then, he looked at Di Beiming with a burning gaze. "Although Aunt Ye is Yun Chujiu's elder, she doesn't have the right to stop her from having a normal relationship with her classmates, right? Or do you really not want Yun Chujiu to have a relationship with me?"

Di Beiming's eyebrows suddenly stood up. Such an obvious provocation could only mean one thing. Damn it, this LAN Luochen really had improper thoughts towards black things!

Yun Chujiu knew that something bad was going to happen!

The Pretty Boy was so agitated, he would definitely announce their relationship. Forget it, let's just say it. Although she was not too strong now, as long as she did not show off, it was not a problem to keep her little life.

Di Beiming clenched his fists, almost blurting out his relationship with Yun Chujiu. But when he thought of the Gui Yuan sect and medicine valley, once the news was announced, Little Jiu would definitely be in trouble again, the Yin family's matter had not been completely settled. If it caused the jealousy of Qin Mingzhu and Baili Yan, the two idiots, Little Jiu's situation would be even more dangerous.

Di Beiming thought of this., he looked at Lan Luochen coldly, "Young Master LAN, no matter if it's my mother or me, I don't want Little Jiu to be too close to you. Because Little Jiu's elders have already arranged a marriage for her. So if she is too close to you, it will be very difficult for us to explain to her fiancé in the future."

When everyone heard di Beiming's words, they immediately exploded!

"What? Yun Chujiu has a fiancé? Why haven't I heard of it before?"

"We Aren't familiar with her, so it's not strange that we don't know. No Wonder Your Majesty is so angry. Since this Yun Chujiu has a fiancé, she is indeed too intimate with that Lan Luo Chen."

"Yes, although we cultivators don't have so many restrictions, we still have to have basic etiquette. Since she has a fiancé, she shouldn't be too intimate with other men. I heard that Lan Luo Chen would come to Yun Chujiu's dormitory every few days."

"That's right. This man and woman are always together. It's really hard to say!"

..

Yun chujiu was about to explode from anger when she heard everyone's discussion. However, she did not dare to refute di beiming. She knew that this was already di beiming's biggest concession, so she could only remain silent in anger. Pretty Boy, just you wait.., wait until there's no one else. See How I'll deal with you.
