

## The Yun Family's Ninth Child is an Imp! Chapter 1376

When di beiming saw Yun chujui say this, he became even angrier. "Black Thing, how Dare You Speak Your Mind? Did you just chat with that Damn Lan Luo Chen a few times? Did My mother teach you the tea ceremony so that you could make tea for him?"?

"It's fine if you sold him the purple sunflower grass, but you still hang out with him all day. Could it be that you felt that he looked like that mermaid, so you fell in love with him?"

"Since when have I been hanging out with him? Aren't we just drinking tea and chatting? You're just narrow-minded, you're just jealous, you're just unreasonable!" Yun chujui felt very wronged, i don't have any other thoughts. What right does a pretty boy have to malign me?

"I'm narrow-minded? If I was narrow-minded, I wouldn't have let you come to Tianyuan Academy. I should have locked you up in the Hall of Immortals! You're always fooling around! It wasn't easy for Xue Wuji to stop fooling around. You got me another Lan Luo Chen. Didn't he just give you some fruits and pastries? Are you that greedy? Am I lacking in your food or your clothes?" Di beiming stomped on the plate of pastries on the ground and crushed it.

"You're the one who's F \* cking greedy! Lan Luo Chen is more understanding and gentle than you. You're an overbearing and unreasonable bastard! Get lost!" Yun Chujui was about to go crazy from anger, i'm just a little greedy. Do you have to say that about me?

Di beiming heard Yun Chujui Praise Lan Luo Chen and belittle him, his face turned white from anger. "Good! Very good! Black Thing! You're really ruthless! Since you think so highly of him, I'll get lost! I'll never appear in front of You Again!"

After di beiming finished speaking, he slammed his palm onto the courtyard gate. Not to mention the courtyard gate, even the isolation array was shattered by this palm strike. Some onlookers were looking outside the courtyard, they were blasted hundreds of feet away by the remaining force of di Beiming's palm strike.

Even Dean Huangfu and the other teachers with profound spiritual power were forced back a few steps. It could be seen how furious di beiming was!

"Dean Huangfu, I still have something to do. Goodbye!" Di beiming said to Dean Huangfu with an ashen face.

Dean Huangfu didn't dare to say anything and could only say, "Your Excellency, Please Take Care!"

Di beiming flicked his sleeves and left. In just a few breaths, he had disappeared without a trace.

Dean Huangfu looked at the courtyard again. The Stone Table had already turned into stone powder. There was no need to mention the courtyard door. It had already turned into dregs. Fortunately, Yun Chujiu was still intact. It must have been a quarrel between the two of them.., this little nine girl really knew how to be evil. She had actually angered the exalted one to such an extent. Sigh, young people really know how to cause trouble!

Dean Huangfu Sighed and also left. The other teachers also dispersed. The surrounding students even ran away, afraid that Yun chujiu would vent her anger on them.

Yun chujiu casually pointed at a student from the Huang class. "Go and find a few odd-job workers for me. Fix the courtyard door for me."

That student went to fix the gate. Yun Chujiu's words were absolutely useful in the Huang class. After a while, a few servants came to fix the gate.

Yun chujiu was so angry that she paced back and forth in the yard. Damn it! Damn it! Damn that gigolo! He always played this trick on her! He always wanted to break up with her! Don't Ever Show Your Face to me!

Damn dibeiyu! Always jealous, damn it! Let's call it pickled fish!
