

## The Yun Family's Ninth Child is an Imp! Chapter 1387

When the seven of them heard Yun Chujiu's words, they couldn't help but sneer in their hearts. You want to stay? If we want to run, can you stop us by yourself?

When the seven of them thought of this, they ran in different directions. They thought that if this was the case, Yun Chujiu would only be able to chase one person at most.

Unexpectedly, Yun Chujiu gave them a sly smile. Then, she took out five strange-looking things from her spirit beast bag and rushed towards them.

Then, she released a red-furred fox. It seemed to be the red flame two-tailed Fox?

The Fox roared, and the seven of them could not help but be slightly stunned. Then, they began the process of being beaten up.

They were about to cry!

What the hell, what the hell was this thing?

Puppets?

Weren't puppets used to block? How could these damn things still track them?

Spiritual attacks had no effect on this damn thing at all. At most, it would only leave a shallow scratch. However, the puppets were much more adept at beating them. Once the prongs on their arms pierced their bodies, they would have to give up their lives.

The seven people could not hold on any longer. They stretched their necks and shouted, "Little fairy, little fairy, we admit defeat. We admit defeat. Quickly make them stop! I beg you!"

Yun Chujiu said with a smile, "Number one, two, three, four, five, chase them over here!"

The seven of them were so angry that they were twitching. What did she mean by Chase? We are not pigs or sheep!

However, the situation was better than the others. They had no choice but to obediently be chased by the five puppets in front of Yun Chujiu. The short and fat man said fawningly, "Little Fairy, we did not recognize Mount Tai. We were wrong. Please spare us!"

"Spare you? Hand over everything you have, and I can consider it. Otherwise, I will let my puppets bleed you one by one!"

At this point, even though the seven of them were unwilling, they had no choice but to hand over all the valuable things they had to Yun Chujiu, yun chujiu curled her lips. "It's not that I want to criticize you, but as robbers, you are really cowardly to be this poor! TSK TSK, you are really trash!"

The seven of them dared to be angry but did not dare to say anything. They could only smile and say, "Yes, yes, we're Trash!"

"There's a chance to make a fortune in front of us. Do you guys want it?" Yun Chujiu said with a smile.

The seven of them inexplicably felt that Yun Chujiu's smile had bad intentions. They could only probe and ask, "Little Fairy, what kind of chance is it to make a Fortune?"

"All of you are from the Tianyuan continent, right?" Yun chujiu asked without answering the question.

The seven of them were confused. was the little girl crazy? We are not from the Tian Yuan continent. Where are we from? However, they did not dare to refute and nodded obediently.

"Have you heard of the Netherworld Hall?" Yun chujiu asked with a smile.

“Is it the Netherworld Hall that almost conquered the Tian Yuan continent eleven years ago?”

Yun chujiu nodded. “That’s right. They have already sent people into the Misty Valley. I killed a few of their people a few days ago. “But according to them, they’ve sent quite a number of people into the Misty Valley this time. They’re prepared to kill everyone from the Tian Yuan continent who entered.”

When the seven people heard this, they were instantly stunned! What? The people from the Netherworld Palace want to kill us? They must have come prepared. Then, wouldn’t we be in great danger?

“Little Fairy, then, what does this have to do with US getting rich?”The short and Fat Man asked in confusion.

Seven People’s hearts beat drum, the little girl doesn’t want us to protect her right?
