

The Yun Family's Ninth Child is an Imp! Chapter 1391

When the leader of the Nether World Hall heard that Yun Chujiu wanted to perform a soul search, the expression on his face became anxious. "You, you don't have as much spiritual power as me. It's impossible for you to perform a soul search on me."

"Is that so? But I can command eight immortal swords. Tell me, which one of us has the stronger spiritual sense? I only gave you one chance because I thought you were still a good man. Since you don't want it, then I'll perform a soul search!" Yun chujiu acted as if she wanted to perform a soul search.

The man was terrified!

"I'll tell you, I'll tell you! This time, we sneaked in a total of twenty groups, sixteen people in each group."

Yun chujiu was shocked. Three hundred and twenty people? They really put in a lot of money!

"What are their cultivation levels?"

"Seventy percent are at the spiritual venerable realm, and the remaining thirty percent are at least at the eighth level of the spiritual saint realm."

“You arranged them by region, right?”

“Yes.”

“Where are the other eight people in your group?”

“They are searching on the east side.”

Seeing that there was nothing else to ask, Yun chujiu directly cut that person into pieces!

“Cheh! How Stupid! If I knew the soul-searching technique, would I need to ask you? Idiot! The soul-searching technique can only be used by spiritual venerables, I don’t know it at all.”Yun chujiu put away the storage rings of the eight people, then, she had Xiao Heiniaoy Burn the bodies of the eight people before continuing to walk towards the east.

After walking for an hour, Yun chujiu heard voices in the distance. She took off the hidden spirit ring and carefully moved forward.

Yun Chujiu hid behind a bush and looked ahead through the gaps in the bush.

She saw that eight people from the Netherworld Hall had trapped more than ten students from Tianyuan Academy in the middle. There were traces of blood on the bodies of those people. It was obvious that they had fought for a while.

Yun chujia looked at them carefully. Those who were trapped were from the Xuan class. Most of their spiritual power was around the seventh or eighth level of the spirit sect. It was no wonder that they were no match for the people from the Netherworld Palace.

“TSK!” They even said that the students from Tianyuan Academy were the elites of the Tianyuan continent. I think they were just average! However, these female students were quite pretty! As long as you female students surrender obediently, I can guarantee that you won’t die. As for the rest, don’t even think about leaving alive today!” A bald-headed pervert said.

“Pui! We would rather die than let you have your way. Shameless!” A female student scolded.

“Yo, your temper is quite fierce. Let’s see if you still refuse to admit defeat after a while. Brothers, Attack! Kill all the men. Kill the women after you’re Done!”

The two sides once again engaged in a fierce battle. The students of Tian Yuan Academy were forced to retreat one after another. It seemed that they could not hold on any longer.

Just when they were in despair.., they heard someone clearly say, “Aiyo, the Mad Dogs of the Netherworld Palace are biting people again? Seriously, if you are willing to bite, then go back to your Netherworld continent. Why are you showing off in our Tian Yuan continent? You really are uneducated mad dogs!”

Regardless of whether it was the people of the Netherworld Palace or the students of Tian Yuan Academy, they all focused their gazes on the person who spoke. The people of Tian Yuan Academy immediately cried out in surprise, “Yun Chujiu! It’s Yun Chujiu!”

They had never been so happy to see Yun chujiu like this. Although they also knew that Yun Chujiu was only at the fifth level of the Spirit Sect, Yun Chujiu was now their life-saving straw.., moreover, Yun Chujiu had created miracles many times in the past. This time, she would definitely be able to do it! She would definitely be able to save them!

The people from the Nether World Palace clearly had a portrait of Yun Chujiu, so they recognized Yun chujiu at a glance. When they heard the exclamations of the students, they were even more certain that the little girl in front of them was their number one target.
