

## The Yun Family's Ninth Child is an Imp! Chapter 1392

"Stupid girl, Are You Yun Chujiu? We were just about to look for you. Who would have thought that you would come to us of your own accord! You are quite good looking, you can play with me."The bald man looked at Yun Chujiu lecherously.

"Yo, not only are you a mad dog, you are also a mad dog in heat. Your Netherworld Palace is really an eye-opener!"Yun chujiu said with disdain.

"Damn girl, you're Courting Death!"The Baldy jumped over and stretched out his hand to grab Yun Chujiu.

He was planning to take advantage of Yun chujiu because he saw that Yun chujiu was only at the fifth level of the Spirit sect, and he thought that he could capture Yun chujiu just by relying on his movement technique.

Yun Chujiu had put on the hidden spirit ring when she showed up just now, so everyone saw that her spiritual power level was at the fifth level of the Spirit sect.

Yun Chujiu's eyes darkened. Comparing movement techniques with her? She was simply courting death. It was just the right time to use the shadowless feet of little jiu that she had not used for a long time!

The Baldy thought that he would be able to catch Yun Chujiu with this grab and then take advantage of her. He never expected that when his hand was about to grab Yun chujiu, Yun chujiu actually turned around and disappeared!

Where is she?

The Baldy was a little stunned. He did not expect that Yun Chujiu had already turned behind him and kicked him in the back!

The Baldy was kicked a few hundred feet away. Although he did not fall down with a single leap, he was still in a very sorry state.

The students of Tianyuan Academy could not help but cheer, "Yun Chujiu, good kick! You kicked this bastard to death!"

"Yes! Kick him to death!"

..

The Baldy flew into a rage out of humiliation, "Damn girl, you're Courting Death!"

As the Baldy spoke, he shot a spiritual energy attack at Yun Chujiu. It turned out to be a vulture. After Yun chujiu dodged the Vulture's attack, she turned her body to the side, she giggled happily, "Emma, this spiritual beast of yours is really a good match for you!"! TSK TSK, but I think this vulture is much better looking than you. A person like you is simply a disgrace to the Baldy World. If I Were you, I would have long found a piece of tofu and smashed it to death. You're wasting spiritual energy and resources while you're alive. You're simply letting everyone in the world down by living!"

The bald-headed man was so angry that he was about to turn ugly. "Darn girl, keep showing off! I want to see how many moves you can Dodge."

The bald-headed man released another vulture. This time, not only was the vulture bigger than the previous one, but its eyes were also more agile. It seemed that this was a high-level spiritual beast.

Yun chujiu smiled and started releasing the pig. Actually, this guy felt that every time he released the pig, it was torture to the enemy because it was really a slap to the face when it was defeated by the original target of ridicule!

As expected, both the Baldy and the people from the nether world palace burst into laughter when they saw that Yun Chujiu released a cute piglet!

"Haha! This is the first time I've seen someone's spiritual beast being a pig, and a piglet at that!"

“TSK TSK, this Yun Chujiu is really trash! I wonder what those people are thinking. Do they think that trash like her can save them?”

“I think, in less than ten minutes, chief Liu will be able to take her down.”

“Less than ten minutes? I don’t think he can take her down in ten moves. This Yun Chujiu is really too trash!”

..

Even the students of Tianyuan Academy had a look of confusion and disappointment on their faces!

Oh My God!

Yun Chujiu’s intermediate spiritual beast was actually a little piglet?

It’s over! This was even worse than the purple needle of the elementary materialized spell! This little piggy was very cute, but could cuteness be used as food? Were you preparing to kill your enemy with cuteness?
