

The Yun Family's Ninth Child is an Imp! Chapter 1393

At this moment, the spiritual energy piglet had already encountered the Vulture!

Everyone thought that the spiritual energy piglet would be consumed by the Vulture soon. However, what they didn't expect was that the spiritual energy piglet jumped onto the Vulture's back and took a bite at the Vulture's head.

The Vulture kept struggling and wanted to throw the spiritual energy piglet down. However, the spiritual energy piglet seemed to be stuck to it. It buried its head in its food and ate happily!

The students of Tianyuan Academy could not help but think of Yun Chujiu's usual appearance when she was munching on spiritual fruits. What kind of spiritual beast did her master turn into!

Just when everyone was shocked, Yun Chujiu released another spiritual piglet. That spiritual piglet immediately joined the ranks of the Vulture.

The Baldy could not believe his eyes. It could devour other spiritual beasts? How was this possible? Moreover, he could release two spiritual beasts with intelligence at the same time?

While the Baldy was in a Daze, Yun Chujiu shot several small purple needles at him. It was too late for the Baldy to Dodge, so he simply reached out and grabbed the small purple needles with his fingers, then, he sneered contemptuously. "You still want to hurt me with these broken needles? You're really self-destructive, ah..."

Following a few explosive sounds, the bald man's right hand and arm were blown away, and he kept screaming miserably.

At this time, Yun Chujiu fired a few more purple needles. The bald man was only focused on screaming, so he did not notice that after the purple needles entered his head, the Bald man died along with the explosive sounds.

The people of the Netherworld Palace were stunned, and they did not have the time to save the Bald Man. They just watched as the bald man was blown to death.

Baldy was the leader of these people. Once he died, those people would lose their backbone. One of them said, "Let's attack together and kill her!"

Yun Chujiu said with a smile, "Come on, let's kill one of them. Let's kill two of them!"

"Stupid girl, don't be so smug! Chief Liu was just careless. We will kill you now to avenge him." Seven people trapped Yun chujiu in the middle.

Seeing this, the students of Tianyuan Academy naturally couldn't just stand by and watch. They also joined the battle. Although they were weak, five or six of them could still hold on for a while, so they held off three of them.

There were only four people left on Yun Chujiu's side. This guy didn't use a puppet, so she decided to hold back. Maybe there would be competitions in the academy in the future. The puppet was her trump card, so she couldn't reveal it for the time being.

Yun chujiu looked at the direction of the wind and then jumped forward. The four of them naturally followed closely behind. Did this brat want to run away? No Way!

Suddenly, Yun Chujiu stopped and giggled at the four of them. "Do you want to die or do you want me to help you die?"

The four of them were so angry that they gritted their teeth and fired their spiritual beasts at Yun Chujiu.

Yun chujiu still released her spiritual piglets, but this time, she did not release two, but a group of cute piglets.

The four people were dumbfounded. Two high-level spiritual beasts were already abnormal enough, but the Little Brat actually released a group of them? This was too abnormal!

The more abnormal ones were still behind. They heard yun chujiu shout, "Look at the hidden weapons!"

The four people did not know what Hidden Weapons Yun Chujiu was going to release. They only saw a few huge things smashing towards them, so they quickly used their weapons to block them. Then, they were miserable!

The chili powder inside the sack flew everywhere. The four of them were choked to the point that tears and tears flowed down their faces. Yun Chujiu had already put on her self-made gas mask. Furthermore, she was standing in the upper wind, so she was not affected at all.
