

The Yun Family's Ninth Child is an Imp! Chapter 140

Yun Chujiu resisted the urge to touch the tiger's buttocks and secretly plucked a handful of tiger fur. This thing should be quite good as a writing brush!

The Gold-spotted Scarlet Flame Tiger shivered in pain. Although it had gained intelligence, it was only limited to expressing vague emotions. Elder Xiao thought that the tiger was unhappy because there was an extra person sitting on its body, so he ignored it. Little did he know that the guy sitting behind him not only wanted to eat tiger meat, but also plucked a bunch of tiger fur!

The crowd arrived at the back mountain of Middle Peak. Elder Xiao jumped off the tiger's back and returned it into his Spiritual Beast Bag.

Liu Qingzhen courageously squeezed his way to Elder Xiao's side. "Elder Xiao, the crime scene is right in front of us. I'll lead the way for you. Yesterday, Yun Chujiu and the others made a fire to roast a rabbit to eat. I tried to persuade them, but she kicked me!"

"It's this slope. I rolled down from it!" Liu Qingzhen said as he glared fiercely at Yun Chujiu. 'Damn girl, when we reach the place, I'll see how you're going to defend yourself!'

At that moment, everyone smelled a burnt smell. It was really difficult to determine where it came from

Yun Chusi and the others were anxious. They did not know what Little Jiu did the day before. She was clearly making a fire to roast rabbits. How could Elder Xiao not see through it? There really was a lighting the day before. Could it have coincidentally struck the area they were at?

Liu Qingzhen caught a glimpse of the expressions of Yun Chusi and the others. He felt proud in his heart. One look at their expressions and he could tell that they were guilty. 'Hmph, smelly girl. Qinghua had already set up an ambush. As long as you're driven out of the Spirit Radiance Sect, the men would immediately be killed and the women would be sold to the banquet hall to be used as cauldrons!'

Liu Qingzhen walked hastily. He quickly arrived at the place where Yun Chujiu and the others had roasted the rabbits. "Elder Xiao, this is the place. Look, is this struck by lightning..."

Liu Qingzhen's smug expression instantly froze. He saw that the ground was filled with branches and tree trunks that had been struck by lightning. There were also some rabbit bones on them, and there were also traces of lightning strikes on some of the trees beside them.

Yun Chusi and the others were just as surprised as Liu Qingzhen. Could it be that they were really that lucky?! Was the heavenly thunder really so coincidental to help them?!

"Elder Xiao... Everyone... I think I don't need to say much after seeing this scene, right? The seven of us put out the mountain fire on an empty stomach. It's fine that we didn't receive any rewards, but we were actually bitten by a villain.

"Oh right, maybe I'm overthinking things. When we participated in the entrance test yesterday, we eliminated a person named Liu Qinghua. Not only is his name similar to Liu Qingzhen's, even his looks are similar!" Yun Chujiu stopped talking at this point. Sometimes, half a sentence allowed more space for imagination.

Sure enough, after listening to Yun Chujiu's words, everyone thought about it. With the evidence that they knew, Liu Qingzhen and Liu Qinghua really had a relationship. Liu Qingzhen was Liu Qinghua's cousin.

Instantly, the sense of justice of the bystanders exploded!

"Elder Xiao, Liu Qingzhen is obviously framing him!"

"Yes! He's using the public office to seek personal revenge! He has ulterior motives!"

"We must punish him severely! Otherwise, where is the prestige of the law enforcement team?!"

“Yes! We must punish him severely! Liu Qingzhen is not a human!”

“Expel Liu Qingzhen, this scum, from our Spirit Radiance Sect! We don’t want to be fellow disciples with such a person!”

...

Elder Xiao snorted coldly and radiated a coercive aura. Everyone immediately quieted down and did not dare to say anything else.

“Liu Qingzhen framed his fellow disciples and used public office to take revenge for his own personal grudge. His influence is vile, and he has crippled his cultivation. From today onward, he will be expelled from the Spirit Radiance Sect!” Elder Xiao looked deeply at Yun Chujiu and continued, “Yun Chujiu and the other seven protectors have done a meritorious deed. Each of them will be rewarded with five spirit stones!”
