

The Yun Family's Ninth Child is an Imp! Chapter 1400

Liu Zhuang was so angry that he repeatedly used his spiritual bear to attack Yun Chujiu. However, Yun Chujiu was slippery. After a full quarter of an hour, Liu Zhuang did not even hurt a single hair on Yun Chujiu's head.

However, Yun Chujiu's mouth was not idle. She continued to provoke Liu Zhuang:

"Aiyo, I told you. You Big Stupid Bear, you are so stupid that even your spiritual beast is incomparably stupid. How dare a Fool Like You Lecture Me? Pui! You Are Really Trash!"

"I think you're probably the dumbest among all of us. Since you know you're useless, don't come out and show off. Why didn't anyone say that they wanted to have a one-on-one fight with me, but only you came out to have fun? Do you think that you're the only one who stopped?"

"TSK TSK, if you ask me, everyone is stronger than you! Even the two people who went up just now are a hundred times stronger than you. You're Useless!"

..

Liu Zhuang's temper had always been hot-tempered. After being provoked by Yun Chujiu, he was so angry that his face turned red and his neck was thick. He simply put away his spiritual beast and took out a large knife and slashed at Yun Chujiu.

“Yo, you still want to play with knives with us? I Am the ancestor of Knives. Look at my large kitchen knife!” Yun chujiu took out the large kitchen knife and waved it a few times in a pretentious manner. In fact, she continuously dodged and continued to stall for time.

Dharma Protector Lin did not pay much attention to it at the beginning. Suddenly, he had a thought. Not Good! This stupid girl could not have used a trick to lure them away, right?

She could not have appeared in front of them for no reason. Moreover, she was clearly stalling for time. There must be accomplices rescuing the hostages. Once the hostages were rescued, they would come to reinforce them. Damn it!

Dharma protector Lin thought of this and roared angrily, “This darn girl is stalling for time. Everyone, attack together! Let’s end this quickly!”

Yun Chujiu secretly cursed in her heart. Damn it, she had actually been seen through. It had only been a short while, and it was impossible for LAN Luo Chen to succeed. Moreover, the other party still had twenty people left, so she had to save herself.

Hence, Yun Chujiu no longer hid her strength and released the five puppets.

The five puppets protected Yun Chujiu in the middle, and Yun Chujiu began to release her spirit energy piglets towards the people of the Netherworld Palace.

The people of the Netherworld Palace were shocked!

F * ck!

What the Hell were these things?

Wasn't that smelly girl at the fifth level of the spirit sect? How could she release so many spirit energy piglets? And how could those damn piglets devour their spirit energy?

Also, these refined iron puppets were too abnormal. Didn't they say that refined iron puppets could only be used for defense? Why were these puppets able to attack and even know how to protect their master?

Dharma Protector Lin thought to himself, no wonder the higher-ups specifically asked for this stinky girl. This stinky girl was indeed strange. Disregarding everything else, just these refined iron puppets were a great killing tool. If they knew the manufacturing method and mass-produced them.., wouldn't it be easy to capture the Tian Yuan continent? Therefore, they had to capture this stinky girl alive!

Although Yun Chujiu had refined iron puppets and her spiritual energy was also abnormal, the difference in strength between the two sides was too great. In just fifteen minutes, the refined iron puppets were already unable to block the attacks of the people of the Netherworld Hall.

Yun Chujiu summoned eight immortal swords to hold on for a while, but it was still useless. Yun chujiu felt that in less than fifteen minutes, she could only surrender.

There was still no news from Lan Luo Chen. It seemed that she could not be counted on. Could she only be a captive?

Yun chujiu gritted her teeth and rushed out first. Therefore, Yun Chujiu activated the defensive spirit tool on her body and then gave an order to the puppet.
