

The Yun Family's Ninth Child is an Imp! Chapter 1401

The five puppets forcefully protected Yun Chujiu and rushed to the edge of the crowd. Yun chujiu charged out forcefully!

Yun Chujiu ran forward with all her might. Although the five puppets tried their best to stop the people of the Netherworld Palace, there were too many people from the Netherworld Palace. They could only stop a few people.

When Yun Chujiu was running with all her might, she heard five loud bangs coming from behind. Her heart ached. She turned around and saw thick smoke rising from behind. Some people from the Netherworld Palace were blasted into a bloody mess.

The five refined iron puppets had actually self-destructed!

Yun Chujiu had never thought that the five refined iron puppets would actually self-destruct on their own accord. She had not added this function when she was refining the puppet disk, this meant that they had used their weak intelligence to make the decision that was most beneficial to their master. That was to sacrifice themselves to help their master escape.

Yun Chujiu's eyes were bloodshot. No. 1, No. 2, No. 3, No. 4, and No. 5, their master would not let you all die in vain. I will avenge you all sooner or later.

The people of the Netherworld Palace were even more shocked. They had never heard that puppets could self-destruct. How was this possible?

The self-destruction of five puppets instantly killed and injured half of the people of the Netherworld Palace. The remaining twenty or so people chased after Yun chujiu relentlessly.

Yun chujiu vaguely heard the sound of running water. Her heart skipped a beat. It would be great if there was a big river. She had a water repellent bead. Once she was in the water, they would not be able to do anything to her!

Yun chujiu followed the sound of running water and ran over. She did not expect that this place was a cliff. There seemed to be a spring in the middle of the cliff, forming a waterfall. Below it was a pool of water. No one knew how deep it was.

The people from the Netherworld Palace had already caught up. Dharma protector lin said viciously, "Stupid girl, why don't You Run? I want to see where you can run to now."

Dharma protector Lin hated Yun Chujiu to death. He did not expect a little girl to kill more than twenty of his subordinates. It was a great humiliation.

Yun chujiu gritted her teeth. This cliff was full of water stains. Sticky threads might not be useful. Moreover, even if she was hanging on the cliff, she would still be attacked by their spiritual power. Only by jumping into the pool would she have a chance of survival.

Thinking of this, Yun chujiu smiled brightly at Dharma Protector Lin. “Just you wait, I will definitely kill all of you to avenge my five puppets!”

Dharma Protector Lin sneered. “Revenge? You are simply delusional. Quickly come over and surrender. Otherwise, I will knock you down with my palm and make you fall into pieces.”

Yun chujiu glanced at them coldly, then jumped down.

Dharma Protector Lin stomped his feet in anger and ran to the edge of the cliff to take a look. He saw Yun chujiu fall into the pool and then disappeared.

“Go Down and search! If she’s alive, we want to see her. If she’s dead, we want to see her body!”

The people of the Hall of the dead were about to take a detour down the cliff when they met Lan Luo Chen and Feng Ming.

Lan Luo Chen did not see Yun Chujiu and his heart sank. “Where’s Yun Chujiu?”

Dharma Protector Lin saw that Feng Ming and the others had been saved and knew that Lan Luochen was involved. He smiled sinisterly. "The wretched girl has already jumped off the cliff and died. It was useless for you to save her. Now she still has to die! Go, kill them!"

Feng Ming and the other two heard that Yun Chujiu had jumped off the cliff and died. Their eyes immediately turned red as they roared angrily and fought with the people from the Hall of the dead.

Lan Luochen was stunned on the spot. Yun Chujiu was dead? How was it possible? Previously, he was still alive and fighting side by side with him. How could he die just like that?

Dharma Protector Lin saw that Lan Luochen was still muddle-headed. A trace of viciousness flashed in his eyes as he attacked Lan Luochen with his spiritual power.

Lan Luochen suddenly looked at Dharma Protector Lin. Dharma Protector Lin was suddenly shocked. Lan Luochen's eyes had turned dark blue and carried a destructive aura..
