

The Yun Family's Ninth Child is an Imp! Chapter 141

After hearing Elder Xiao's decision, Liu Qingzhen's eyes rolled to the back and he fainted.

Everyone cheered and praised Elder Xiao for being fair. They even lamented that good versus evil would be rewarded in the end.

Yun Chusi and the others had mixed feelings in their hearts. If it was not for Little Jiu being vigilant this time, they would definitely have been expelled from the sect. They must learn more from Little Jiu in the future!

As for Yun Chujiu... This fellow was actually secretly ridiculing them. 'This Elder Xiao is really f*cking stingy. He's only giving us five Spirit Stones!'

Before Elder Xiao left, he gave Yun Chujiu a deep look and said, "Take good care of yourself." Then, he rode off and left.

Good my ass! Ptooeey! If it was not for the fact that this young lady was extremely intelligent, would she not have been chased out of the Spirit Radiance Sect by an old fogey like him?!

Yun Chujiu bowed deeply to everyone. "Senior Brothers and Sisters, it's all thanks to everyone for upholding justice for us today. If it weren't for all of you, we might've really been wronged! "In terms of spiritual power, everyone here is stronger than us, and we don't have any great abilities either. However, when everyone comes to the cafeteria to eat, we will definitely do our best to help everyone."

Yun Chujiu's words unobtrusively flattered everyone, and then she expressed her gratitude from the bottom of her heart. When everyone heard this, their hearts were full and they all expressed that their actions were chivalrous and did not seek anything in return.

Yun Chujiu was escorted back to the cafeteria. It was lunchtime and the cafeteria was filled with people. After the onlookers entered, they began to ramble on and on about the incident.

Those disciples who did not go felt regretful. They had actually missed such a wonderful show. However, these servants had really brought pride to Middle Peak. What they did was equivalent to slapping the West Peak Law Enforcement Agency in the face!

Therefore, when it was time for dinner, many disciples started to pay attention to Yun Chujiu and the others. When they saw Yun Chujiu's shabby appearance, they felt a little pity and sympathy for her.

Word spread like wildfire. Soon, almost everyone in the Spirit Radiance Sect heard about this matter. Yun Chujiu and the others immediately became famous, especially because Yun Chujiu herself was too discerning!

She was the youngest, the tankiest, and a good-for-nothing without any spiritual power. She even had a weird-looking handkerchief wrapped around her head and two small tails behind her head! Plus, she also had a fire-breathing crow as her spiritual pet!

In the next few days, there were obviously many more people who came to the Middle Peak cafeteria for dinner than usual. Most of them were there to see Yun Chujiu.

Yun Chujiu did not mind. She could just watch. After all, she would not lose a piece of meat if she did.

During dinner that day, there was commotion in the cafeteria.

It was among the female disciples. All of them looked at a person with watery eyes. That person walked over to Yun Chujiu, who was serving the dishes. "Junior Sister Little Jiu, can we talk outside for a moment?"

Yun Chujiu looked up and saw that it was Feng Ming. It was all thanks to him that she was able to enter the Spirit Radiance Sect. Therefore, Yun Chujiu smiled very brightly. "Senior Brother Feng Ming, long time no see!"

Yun Chujiu greeted Elder Huang and followed Feng Ming out of the cafeteria.

“Little girl, I didn’t expect that after a few days of not seeing you, you would become famous in the Spirit Radiance Sect!” Feng Ming said with some ridicule.

Yun Chujiu laughed dryly. “Sorry for making you laugh! What famous person? Isn’t it just a person’s name?”

Feng Ming listened to Yun Chujiu’s interesting words and started chatting with Yun Chujiu.

Yun Chujiu also felt that Feng Ming was experienced and knowledgeable. It was rare that he did not put on airs, so the more they chatted, the happier they became. In the end, Feng Ming even curiously touched the two little tails behind Yun Chujiu’s head.

As soon as Feng Ming touched it, he felt his scalp go numb. His body was catapulted outside and it fell to the ground in a sorry state!
