

The Yun Family's Ninth Child is an Imp! Chapter 1418

Xiao Heiniaio stared at Yun chujiu with its pea-sized eyes and threw out a purple fireball.

Xiao Heiniaio covered its mouth in surprise. Oh My God, how could this black fire-spitting crow spew out a fireball with the power of lightning? Could it be... could it be?

At this moment, Xiao Heiniaio's fireball had already rushed towards Yun Chujiu. But miraculously, the fireball was less than three feet away from Yun chujiu as if it had encountered some kind of barrier and could not take another step forward, after a moment, it landed on the ground dejectedly.

Xiao Heiniaio spat out a few more fireballs, but they were all blocked by the fire repelling pearl three feet away from Yun Chujiu.

Yun Chujiu said with a beaming smile, "Little skeleton, your fire repelling pearl is indeed not bad. Thank you very much!"

When the little skeleton heard Yun Chujiu speaking so politely to it, it was almost moved to tears. Damn, it was not easy. The little pervert actually said thank you to me.

"Little skeleton, if that's the case, you can send me to that volcano!"

“Little Fairy, not now. We will only meet up with that volcano in about three months. At that time, I can send you to that volcano.”

Yun chujiu nodded. Three months was not bad. It was better than being trapped in this misty valley.

Therefore, Yun Chujiu and the little skeleton had been neighbors for three months. Naturally, they had cheated the little skeleton many times. Yun chujiu thought to herself, this little skeleton really did not have a brain. It was too easy to cheat.

The little skeleton counted with its fingers every day. It wished that it could send this little devil away as soon as possible. SOB, sob. If she does not leave now, I will let her cheat my little family.

Finally, three months had passed. The little skeleton couldn't wait to send Yun chujiu away. Yun chujiu only felt a dazzling white light flash past. When she opened her eyes again, she was already on top of a huge volcano.

Yun Chujiu, this thief, didn't leave empty-handed. She saw a few blood-red spiritual herbs growing near the volcano. She used a kitchen knife to dig them up and kept them in her storage ring.

As soon as she finished digging up the spiritual herbs, a fireball began to spray out from the crater. Yun chujiu used the ten-thousand-year-old black iron chain to fix herself onto a large fireball. Only then did she drift down to the burning sky plains.

Yun chujiu saw that there were a lot of people here when she was in mid-air. That was why she sat on the Chopping Board and rushed over. Therefore, she was completely confused about the situation here.

Feng Ming briefly told Yun chujiu about the matter, and Yun chujiu touched her chin thoughtfully.

Yin Sulian saw that Yun Chujiu was silent, she curled her lips. "Aren't you powerful? You Don't dare to go up, right? HMPH! You Think You're so great, and you even greet them one by one with great fanfare. You Don't even look at your own identity. You're just a pheasant that has flown up to the branches. Do you really think you're a Phoenix?"

Yin Sulian saw that those mighty figures were all amiable to Yun Chujiu, so she was very jealous and said these words.

What she did not expect was.., yun chujiu touched her chin and said, "Yin Sulian, although your brain has never been very good, I have to say that you have finally done the right thing this time. You are right. This is a good opportunity for me to become famous. I want to participate in this alchemy competition. Not only do I want to participate in this competition, but I also want to participate in the Talisman and beast controlling competition!"

Everyone thought that Yun Chujiu was most likely crazy!

If you wanted to participate in the beast taming competition, it would be okay. No matter what, you had been studying for a year and a half. However, you had never learned alchemy and talismans. Wouldn't you be adding to the chaos if you went up?
