

The Yun Family's Ninth Child is an Imp! Chapter 1431

The elderly judge took out a pill and smelled it. He said with certainty, "This is the soul cleansing pill, and it's a supreme-grade soul cleansing pill."

Si Tushi was a little unsteady. It was over. He had lost the bet. Not only did he have to admit his mistake to Yun Chujiu in public, but he also had to compensate her with 100 million upper-grade spirit stones. Spirit Stones were easy to deal with, but apologizing to her in public was really.., it was really too embarrassing!

Yun Chujiu said with a smile, "Host, please announce the results. I believe everyone is waiting anxiously."

When the audience saw the performance of Yun Chujiu and Si Tushi, they already knew the general results. Could it be that Yun chujiu not only successfully refined the soul cleansing pill, but also refined a superior-grade soul cleansing pill?

After the host communicated with the ten judges, he said loudly, "The success rate of the soul cleansing pill that Yun Chujiu refined is 100% . There are five super-grade and super-grade pills, and five high-grade pills. Yun Chujiu is the winner of the bet."

The crowd immediately exploded!

Although they had some vague guesses just now, they were still not quite sure. Now that they heard the host's words, they immediately started to discuss!

"No Wonder Yun Chujiu dared to agree to Si Tushi's bet. It seems that she is confident!"

"Yeah, the so-called 'the strong are bold'. A genius is indeed a genius. The first time is a coincidence, and the second time is strength."

"I have to say, Yun Chujiu won this bet too beautifully! This time, that old Guy Si Tushi definitely has nothing to say. He even said that our Yun chujiu cheated? ptui! He is just plain jealous!"

Although Dean Huangfu tried his best to endure, his mouth was almost unable to close. Good! Yun Chujiu did well! It was really too satisfying! That old fellow, Si Tushi, had lost a lot of face this time!

At this moment, Yun Chujiu, who was on the stage, waved her hand at everyone to signal for them to be quiet.

Everyone quieted down. Yun chujiu sighed. "Sigh, it's almost noon. I'm a little hungry, so I didn't perform well."

The corners of everyone's eyes twitched violently. Forget it! You still didn't perform well? Do you still want us mortals to live?

"Si Tushi, principal si tushi, I won this bet. Shouldn't you fulfill your promise? I'm in a hurry to go down for lunch, so don't dawdle."

Si Tushi's old face was flushed red. He wanted to cheat, but he had already sworn in his heart demon oath. Moreover, under the watchful eyes of everyone, it really didn't make sense to cheat.

After Si Tushi passed the spirit stone to Yun Chujiu, he gritted his teeth and squeezed out three words, "I'm sorry."

Yun chujiu pouted, "You can't say that. Let's do it again."

"You! Don't Push Your Luck! I've already apologized, what more do you want?" Si Tushi wished he could find a hole to hide in. This was the darkest day of his life, and he had never been so humiliated.

Yun Chujiu said with a smile, "Si Tushi, when you said that I cheated just now, you were very long-winded. Why are you so stingy when you apologize? Moreover, your voice is too soft, isn't it? The people behind can't hear you. Say it again, or else, be careful of being struck by lightning!"

The people from the Tian Yuan continent also started to jeer, "That's right! None of us heard it!"

"What's the use of just saying sorry? If you say that you wronged Yun Chujiu, then you have to say that you are petty and jealous. Yun chujiu didn't cheat!"

"That's right, there's no sincerity in apologizing at all. Don't tell me that the Netherworld continent is such a dishonest person?"
