

## The Yun Family's Ninth Child is an Imp! Chapter 1432

Si Tushi stared at Yun chujiu maliciously, wishing that he could slap her to death. He gritted his teeth and said, "Yun Chujiu, I'm sorry. I shouldn't have wronged you. You didn't cheat. That should be enough, right?"

"Alright, I've always been a magnanimous person. Since you've apologized to me so sincerely, then this matter can be considered as settled!" "Principal situ, don't take it to heart either. If you know your mistakes, you will be able to change them, and it will be the best thing for you to do. Put down the butcher's knife and become a Buddha on the spot. As long as you learn more from me, you can still be saved."

Si Tushi's head was buzzing from Yun Chujiu's anger. He gave Yun chujiu a few vicious looks before jumping off the stage and staggering back to his seat.

Vice Palace Master Liu's face was gloomy. He glared at Si Tushi with displeasure. Trash! It was really embarrassing to be fooled by a little girl!

Yun chujiu saw Si Tushi leaving and she bowed to the ten judges and the host. Then, she gave five supreme-grade soul cleansing pills and five supreme-grade bone healing pills to the ten judges, then, she gave the remaining ten high-grade pills to the host.

"Thank you, everyone. Thank you for your hard work. This is just a small token of appreciation. Please keep it as a souvenir!" Yun Chujiu said as she hopped off the stage.

The ten judges and the emcee were stunned and moved. They had not expected Yun chujiu to do such a thing. Regardless of the value of the pills, this respect and sincerity was very touching.

Di Linhan now found Yun chujiu pleasing to the eye. He could not help but exclaim in his heart. My Son has inherited this from me. His taste in choosing a wife is really good! Little Jiu not only has heaven defying talent, and although she is usually a little out of the ordinary in the way she conducts herself, but she is still quite clever when it comes to handling some crucial matters. This is much better than bei Ming, with her assisting bei Ming in the future.., i can also feel more at ease.

Di Linhan had completely forgotten how he had despised Yun Chujiu back then. Moreover, two hours ago, he had thought that Yun Chujiu had only won the competition because she had cheated.

Xue Li's eyes flashed with admiration. This little girl was indeed not bad, but that silly kid wuji probably did not have such luck!

The moment Yun Chujiu stepped off the competition stage, she naturally received the cheers of everyone in the Tian Yuan continent. This fellow pretended to be humble and said a few words before jumping beside Dean Huangfu and said with a smile, "Dean, fortunately I did not fail you."

Just a few words, dean Huangfu felt his nose ache. He thought to himself, what's wrong with me? Could it be that I'm Old? Why Am I so touched?

“Good! Very good!” Dean Huangfu said these three words with a slight sob.

Yun chujju giggled. “Dean, this is only the beginning. Don’t worry. Next, their Nether Academy will not obtain another victory. The first place will be ours!”

Dean Huangfu’s eyes turned red from Yun Chujiu’s words. He did not know why, but he knew that this was the little girl’s return to him. It was a return for his kindness, and it was also a return for his care!

At this moment, Dean Huangfu believed that Yun chujju could really do it. This was because he could see the confidence and dominance in Yun Chujiu’s eyes as she looked down at the world.

“Well, dean, I’m starving. I’m going to eat something first. Call me when the talisman competition starts!”

Dean Huangfu felt that the domineering image that Yun Chujiu had painstakingly built up in his heart was gone with a puff. She was still that cheeky foodie!
