

## The Yun Family's Ninth Child is an Imp! Chapter 1439

When the people from the Netherworld heard the people from the Tianyuan continent say this.., they immediately mocked, "Are you people from the Tianyuan continent crazy? Four supreme-grade explosive talismans? Not to mention that Yun chujiu drew them with her fingers, even a talisman master with a talisman brush might not be able to draw four supreme-grade talismans in one go."

"That's right! Your Tian Yuan continent will definitely lose this round! The first place goes to our Netherworld continent's Li Wei."

The people of Tian Yuan continent were naturally not convinced, one person said, "HMPH! Just because you guys can't do it doesn't mean that Yun chujiu can't do it. Yun chujiu even refined five super grade elixirs previously! Your Si Tushi even said that Yun Chujiu cheated. Bah! You people from the Netherworld continent are really shameless!"

"You are the F \* CKING shameless one! You people from the Tianyuan continent are all trash! You guys will definitely lose this round!"

..

Dean Huangfu stared nervously at Yun Chujiu who was on the stage. He felt that his old heart was about to stop beating. Little Jiu could definitely do it. What she drew would definitely be a supreme grade explosive talisman. As long as she successfully drew another one.., even if it was a high-grade explosive talisman, the first place would still belong to Little Jiu.

Si Tushi's heart was also raised. He stared maliciously at Yun Chujiu who was drawing talismans with her fingers on the stage. HMPH, so what if you could really draw two talismans? You only drew a total of four talismans. You can't even compare to Li Wei! As for transcendent-grade talismans? Stop Dreaming! That's impossible.

Just before the end of the competition, Yun Chujiu's fourth talisman was completed!

Yun chujiu let out a sigh of relief. Although it was a close call, it was finally completed!

Li Wei, who was beside Yun Chujiu, saw the four talismans on Yun Chujiu's workbench and almost collapsed to the ground. She... she actually used her fingers to draw two more burst talismans? Moreover, they were super-grade talismans? How... How was this possible?

At this moment, the ten judges had already left their seats to assess the first contestant's results. However, Li Wei was not in the mood to pay attention. He knew that he had lost.

Li Wei was still immersed in the shock when he saw a white shadow flash before his eyes. When he focused his eyes, he realized that it was Yun chujiu who had taken away his talisman pen.

Li Wei was about to question her, but Yun chujiu made a gesture of silence. During the judging process, the other contestants were not allowed to interfere with the judging process, so Li Wei could only remain silent in anger.

However, the host was paying attention to the situation here. Yun chujiu rolled her eyes and waved at the host. She handed the talisman pen that had been cut into two pieces and Li Wei's talisman pen to the host, she mouthed, "Help me take care of it!"

Although the host did not know what Yun Chujiu was going to do, she was still willing to help with such a simple task. Hence, she nodded and kept the talisman pen.

After the results of the first eight people were announced, the ten judges came to Li Wei's workbench. After checking the talisman, they handed the results to the host.

"Netherworld Academy, Li Wei, complete six high-grade explosive talismans within the stipulated time. Thirty points," the host announced loudly.

Everyone was not surprised by this. They stretched their necks and waited for Yun Chujiu's results.

The ten referees walked to Yun Chujiu's workbench. Although they had already made a mental prediction, they were still very shocked when they saw the four golden explosive talismans, especially the last two, those were drawn by Yun chujiu with two fingers! It was simply too heaven-defying!

Although the triangular-eyed judge wanted to find some flaws in the talismans, no matter how he looked at it, it was still a perfect super-grade burst talisman. There were no flaws at all. It was as if he was looking at San Jiaoyan.

The host announced slightly excitedly, "Tian Yuan academy, Yun Chujiu has completed four super-grade burst talismans within the stipulated time. She has 40 points. The first place in the talisman competition is Yun Chujiu!"

The crowd immediately exploded!
