

The Yun Family's Ninth Child is an Imp! Chapter 1440

The people of the Tian Yuan continent had gone from Hell to Paradise in an instant. This feeling was too f * cking exciting! It was too f * cking awesome!

Everyone felt that if they did not roar a few times, they would go crazy!

“So what if you don't have a talisman pen? ! You can still get first place with your fingers! Yun Chujiu! You Are Too Amazing!”

“Yun Chujiu! You Are My Idol!”

“Fairy Yun! You are the best! You are the pride of our Tian Yuan continent!”

..

Dean Huangfu was so happy that he almost jumped up. Little Jiu was really good!

Di Linhan and Youyou proudly straightened their backs. Now, he wished that everyone on the entire continent knew that this was my future daughter-in-law. All of you should F * cking stop thinking about my daughter-in-law. This is my son's!

Right at this moment, the judge with the triangular eyes said loudly: "Wait! Yun chujiu can not obtain the first place. The first place should go to Li Wei."

Everyone was shocked by his words and the people from the Tian Yuan continent started to curse: "Bullshit! Yun Chujiu has ten more points than Li Wei. Why is the first place not Yun Chujiu's?"

"That's right! Are you blind or deaf? The first place goes to Yun Chujiu!"

"I think he's blind in the heart. How Shameless!"

..

San Jiaoyan said with a fake smile, "I have my reasons for saying that!"! What was the test of making talismans? It was the stability of the output of spiritual power. Yun Chujiu broke the talisman pen, which meant that there was a flaw in her output of spiritual power! In addition, the talisman pen had always been used to make talismans, but she used her finger. This was against the rules! "Therefore, the first place should belong to Li Wei."

The people from the Tian Yuan continent were instantly enraged. "You're F * cking spouting nonsense! No matter if it's a white cat or a black cat catching a mouse, it's a good cat! What's wrong with Yun Chujiu using her finger? Using your finger? Pui!"

“The rules of the competition did not say that you were not allowed to use your finger at all. Furthermore, didn’t they say that the quality and quantity of talisman writing would be used as the basis for the results? What right do you have to say that Yun Chujiu’s doesn’t count? Shameless!”

“You’re from the Netherworld continent so you’re speaking up for the Netherworld continent. If you lie like this, you might be struck by lightning!”

..

The people from the Netherworld continent were in favor of San Jiaoyan’s judgment, they were competing with the people from the Tian Yuan continent. “The judge is right. Yun Chujiu broke the talisman brush. How can she be considered a talisman master? This is the same logic as a chef who made a mistake while cooking. She doesn’t deserve to be first!”

“That’s right. She is not representative at all. Are we going to use our fingers to make talismans in the future?”

“That’s right. That’s why Li Wei deserves to be first. After all, Li Wei’s talisman brush is not broken.”

..

Dean Huangfu was so angry that his beard was raised. Just as he was about to argue with the judge with San Jiaoyan, he heard Yun chujiu say clearly, "Everyone, quiet down. I have something to say."

Yun Chujiu was now the focus of attention. Everyone quieted down when they heard what she said. They wanted to hear what Yun Chujiu had to say.

Yun Chujiu said with a smile, "This judge, what you said is very reasonable."

The people of the Tian Yuan continent almost fainted from anger. Yun Chujiu, your head was kicked by a spirit beast? ! Are you crazy? !

The San Jiaoyan judge snorted coldly, "It's good that you know. Since that's the case, host, please announce again. The first place goes to Li Wei."

"Wait, I haven't finished speaking! What's the rush? ! Although what you said is reasonable, the premise of your words is that those talisman pens haven't been tampered with."Yun Chujiu said coldly.
