

The Yun Family's Ninth Child is an Imp! Chapter 1449

Li Han gritted his teeth. He knew that he was no match for Yun Chujiu. He glared at her and walked to the cage, ready to continue using the secret technique.

The flaming red-tailed Fox was very intelligent. It knew that once Li Han successfully used the secret technique, it would not be able to resist. Therefore, it took advantage of the fact that Li Han had not used the secret technique and used the seductive technique on Li Han. Lie Yan knew that the flaming red-tailed Fox would not be able to resist.

Li Han was very angry with Yun Chujiu. He did not expect the flaming red-tailed seductive Fox to take advantage of the situation. Moreover, he had lost a lot of blood and was very angry with Yun Chujiu. His spiritual sense was a little unstable, so he fell into lie Yan's trap.

"Haha, the First Place Is Mine! You trash are not even qualified to carry My Shoes!"

"Our Li family's beast taming technique is the best in the world. None of you are good at it! If it were not for my grandfather who insisted that I go to some Netherworld Academy, I would not have come! The teacher who taught me is not as powerful as me!"

"Do you know why you chose this fiery red-tailed Fox? Because your spiritual power is low, and none of you can successfully control it, only I can!" Lie Yan said with a smile

..

Si Tushi was so angry that he almost passed out!

At that time, he had said that it wasn't safe to choose the fiery red-tailed Fox because although this fiery red-tailed fox was locked in a specially made cage and couldn't shoot fireballs, the charm technique could still be used. Lie Yan, this trash, said that it was no problem, but now., he had said everything, it was simply too embarrassing!

Yun chujiu saw that Li Han was in a daze after talking crazily. This guy rolled his eyes. This was a good opportunity. She had to take advantage of the time when he was not awake to trick this silly fox into her hands.

Yun chujiu held the chicken leg that was more than half eaten in her hand and walked to the side of the cage. As she chewed on the chicken leg, she said, "Little Fox, let me tell you a story."

The flaming red-tailed Fox looked at Yun chujiu with disdain. However, it felt that Yun Chujiu had tortured Li Han enough, so it did not hate her so much. Therefore, it did not use the charm on Yun Chujiu.

"The Crow made a nest on the big tree. There was a hole under the big tree, and the Fox lived in the hole. One day, the crow flew out to find food for her child. "She found a piece of meat and brought it back..."Yun chujiu smiled and began to tell the story of the Crow and the Fox to the flaming red-tailed seductive fox, lie Yan.

The rest of the people on the stage were dumbfounded, and the people below the stage were also at a loss. Could it be that Yun Chujiu had also been bewitched?

Are you crazy?

What kind of story are you telling to a demon beast?

This is not even as reliable as using roasted chicken drumsticks to hook up with a Demon Beast!

The people of the nether world continent originally felt very embarrassed when they saw Li Han Go Crazy. Now that they saw Yun chujiu acting like this, they naturally would not let go of the opportunity to take revenge. They immediately laughed out loud:

“Is there something wrong with your Tian Yuan continent’s Yun Chujiu’s head? She even told a story to lie Yan’s red-tailed Fox? She can’t possibly think that she can control lie Yan’s red-tailed Fox just by telling a story, right?”

“That’s right, what a whimsical idea. Does she think that lie Yan’s red-tailed Fox is a child?”

“If she can control a demon beast just like that, why would she learn how to control a Demon Beast? !”

..

The people of Tian Yuan continent really wanted to defend Yun chujiu, but how should they explain it? Could it be that Yun chujiu could subdue a demon beast just by telling a story? Not to mention the people of the Netherworld continent, even they themselves did not believe it!

At this moment, someone shouted, “Quick! Quick! Look! Yun chujiu, it’s Done!”

“What’s done? Are you crazy too?”The person next to him cursed. Then, he looked at the stage and immediately shouted, “It’s Done! It’s really done! Yun chujiu really succeeded!”
