

The Yun Family's Ninth Child is an Imp! Chapter 1451

The spiritual power of these judges were all at the spiritual venerable level, so it was relatively easy for them to establish a spiritual connection with lie Yan.

After one of the judges established a spiritual connection with lie Yan, he asked directly, "Did Yun chujiu use any illegal drugs to harm you?"

The crowd only heard lie Yan Roar a few times, and then the judge looked like he was about to say something.

Li Han immediately said loudly, "The fiery red-tailed seductive fox must have admitted it, right?" "I already said that it was impossible for Yun Chujiu to successfully control it. She must have used some unspeakable method!" "She is cheating! "Her first place doesn't count!"

The people of the Netherworld continent also started to clamor, "Right! Yun chujiu must have cheated! Cancel her competition results! Let's compete again!"

"Humph, is it exposed? I told you that you can control demonic beasts even by telling stories, unless the demonic beasts are crazy!"

"If we compete again, the first place will definitely go to Li Han!"

..

Although the people of the Tian Yuan continent were also fiercely arguing with them, they were not sure what lie Yan had said? The judge was so shocked. Could it be that Yun Chujiu really used some tricks?

Just as everyone was guessing, the eagle-nosed judge asked the judge impatiently, "What did the fiery red-tailed fox say? Did Yun chujiu use the lie Yan powder or some other forbidden item?"

The judge said with a stiff face, "The fiery red-tailed Fox said that it thought Yun chujiu was as beautiful as a fairy, and it was kind enough to tell it a story. It was willing to be controlled by Yun Chujiu."

What the hell was that?

Now, the Demon Beast was judging people by their appearance?

Was it kind enough to tell you a story?

"What? That's impossible! I don't believe it!"The hawk-nosed judge said with a stomp.

The judge said with an unhappy face, "Do you think I'm lying? Good! I'll prove it to you now! Lie Yan's red-tailed fox, is what I said true? If it's true, you can roar once. If what I said is false, you can roar twice."

Lie Yan red-tailed Fox roared impatiently. These humans are really troublesome. Let's hurry up and let that little girl get first place! She has the nine-tailed Fox's bone on her body. She has promised me that as long as she gets first place, she will give me the bone.

It turned out that while Yun Chujiu was telling the story, she had secretly taken out a very small nine-tailed Fox's bone from her storage ring. As she was holding a drumstick in her hand, no one had noticed, however, the lie Yan red-tailed Fox had smelled the nine-tailed Fox's scent. It was immediately overjoyed. If I had the nine-tailed Fox's bone, it would be of great benefit to me.

Immediately, the lie Yan red-tailed Fox established a spiritual connection with Yun Chujiu. Yun chujiu told it that if she won first place, she would give it the small piece of the nine-tailed Fox's bones.., that was why it was willing to be manipulated by Yun Chujiu.

Yun chujiu curled her lips. "Did you all hear that? The Little Fox is willing to be controlled by me because of my beauty and kindness. Is it a mistake to be beautiful? !"

Everyone..

Even though the aquiline nose and Li Han were extremely unwilling, with the proof of the lie Yan red-tailed fox, they were helpless, they could only let the host announce the results of the competition. “In the Beast Taming competition, Tian Yuan Academy’s Yun Chujiu wins! In the first stage of the competition, Tian Yuan Academy won 3 to 2.”
