

The Yun Family's Ninth Child is an Imp! Chapter 1458

Hearing Yin Sulian's words, Yun chujiu frowned and raised her head to look at the stage.

Jia Long was spouting nonsense on the stage, "Does anyone from your Tianyuan Academy still dare to come up and accept the challenge? "Hmph, I don't think any of you dare to come up either. If anyone else comes up, I won't show any mercy. Regardless of life or death on the stage, don't blame me if you lose your life at that time!"

"Is there no one coming up? Host, since no one dares to come up, can we announce that I have won the sixth round as well?" Jia Long said arrogantly.

At this moment., a clear voice was heard from below the stage. "Do you still have any sense of shame? Our Tianyuan Academy only let you guys win five rounds because we saw that your Netherworld Academy had lost too miserably yesterday. Do you really think that you are that great? "A pig's nose is like a spring onion in a spring onion — acting!"

Jia Long and the others looked at the person who spoke. The person who spoke was a beautiful little girl. Who else could it be but Yun Chujiu? !

"Yun Chujiu? You were in the limelight yesterday. Why? Do you want to come up and have a match with me? HMPH! A trash of the fifth level of the Spirit sect, do you dare to come up?" Jia Long said with a pout.

“Why wouldn’t I Dare? ! However, wait for a while. I just woke up and am a little hungry. I need to eat something first. You also rest and rest, lest others say that I took advantage of your tiredness to bully you.” Yun Chujiu said proudly.

When everyone heard Yun Chujiu’s words, they immediately exploded!

“Is Yun chujiu crazy? This competition does not allow the use of medicinal pills or talismans. She is only at the fifth level of the Spirit sect. Wouldn’t she be courting death by going up?”

“Who says she isn’t? Could it be that she’s lost in her sleep?”

“Besides, if you want to go up, then hurry up and go up. What are you going to eat when Jia Long’s injuries haven’t healed and he’s still tired?”? Are you that hungry? Besides, what time is it? It’s not even lunchtime yet!”

..

Dean Huangfu called Yun Chujiu to the side, with a grave expression, he said, “Yun Chujiu, this Jia Long’s methods are ruthless. Moreover, he’s at the third level of the spiritual venerable realm, and his spiritual power is much higher than yours. It’s better if you don’t go up! If you lose in the second stage, then so be it.”

“Dean, don’t worry. Although I don’t have absolute confidence in winning, I can still guarantee that I won’t get hurt. You just wait and See!” Yun Chujiu said with a smile.

Dean Huangfu knew that although Yun Chujiu was temperamental, she was still able to handle important matters. Therefore, seeing that she was determined, he could only remind her to be careful.

Jia Long waited for an hour, but Yun chujiu still didn’t come up. He looked at the stands of Tianyuan Academy impatiently, and he almost fainted when he saw the scene!

He only saw Yun chujiu happily enjoying the hot pot!

“Yun Chujiu, are you still going to compete? I’ve been waiting for you for an hour!” Jia Long roared angrily.

Yun chujiu raised her head and looked at him. “Why don’t you know how to appreciate a good person’s kindness? Didn’t I give you time to rest and treat your injuries? There are very few kind people like me, and I’m probably the only one you’ll meet in your life. You have to cherish it!”

Jia long snorted coldly. “That’s a nice way of saying it! Don’t tell me you’ve changed your mind and don’t dare to come up? I’ll give you another 15 minutes. If you still don’t come up, then I’ll win this round without a fight!”

“Sigh! I’ve never seen someone so eager to die. Alright, since you want to die so badly, don’t wait for another 15 minutes. I’ll go up and send you on your way!” Yun chujia sighed, she jumped onto the stage lightly.
