

The Yun Family's Ninth Child is an Imp! Chapter 146

In his sleep, Di Beiming felt that his limbs were tightly wrapped by an eight-clawed demonic fish. He was suddenly startled awake!

Di Beiming opened his eyes and could not help but be in a trance. Although he did not light a candle, the moon was very bright that night and the room was well-lit. He saw Yun Chujiu resting one arm on his chest and one leg on his leg. She was sleeping soundly. Saliva dripped from the corner of her mouth and she smacked her lips from time to time.

The corner of Di Beiming's eyes twitched and he said in a low voice, "So ugly!"

Di Beiming glanced at the handkerchief wrapped around Yun Chujiu's arm. There were faint traces of blood on it and he immediately figured the whole story.

Di Beiming's heart felt warm. The anger from before instantly dissipated. 'Hmm, the black thing still cares about me. Those words from before must've been angry words. I will not lower myself to her level!'

Di Beiming carefully moved Yun Chujiu's arms and legs away, and then stretched out his arms to wrap them around Yun Chujiu's waist. He raised his eyebrows slightly. Black Thing, seeing that you're treating my injuries, I'll reluctantly hug you!

'Black thing is really too thin, she should be well-nourished.' This thought flashed through Di Beiming's mind before he fell asleep.

"Wake up! Wake Up! Let's go to work!" Along with the sound of the bell, old Huang's energetic voice sounded.

Yun Chujiu frowned and mumbled, "It's so annoying! I have to wake up so early every day! Ah..."

Looking at the handsome face in front of her, Yun Chujiu almost choked on her own saliva.

Some scenes from the day before flashed through Yun Chujiu's mind quickly. Then, her gaze fell on Di Beiming's arm who was holding onto her waist.

Yun Chujiu carefully shouted, "Prince Charming? Prince Charming?"

This guy had long forgotten what she said yesterday. For her life, not only would she call him Prince Charming, she could even call him ancestor!

Di Beiming did not react at all. He even lifted one of his legs and put it on Yun Chujiu's body.

Yun Chujiu was so angry that she gritted her teeth. She really wanted to kick this gigolo down but... Ugh! She did not dare!

"Prince Charming? Prince Charming?" Yun Chujiu called out a few more times but Di Beiming still did not respond.

Yun Chujiu could only rely on her courage to carefully move Di Beiming's arm down, and then move her leg down again. Just when she was relieved, Di Beiming stretched out his arm again and wrapped it around Yun Chujiu's waist.

Yun Chujiu could only carefully move away again, but she did not expect Di Beiming to press his leg up on her again.

After a few times, Yun Chujiu was furious!

This gigolo must have done it on purpose. Even if he was a dead man, he should have woken up by then!

Yun Chujiu rolled her eyes and said sneakily, "Forget it. At worst, I just won't go to work. I can't let go of such a good opportunity today. Tsk tsk, this body of my Prince Charming is really too fantastic. I didn't get to see enough last time. This time I can take off his clothes and have a good look!"

Yun Chujiu stretched out her claws to take off Di Beiming's clothes.

Di Beiming's eyelashes trembled. He opened his eyes and said in astonishment, "Black Thing? How did you climb onto my bed? Get out!"

"Prince Charming, you're wrong! I almost died from blood loss last night because of you. You don't even thank me and want me to get out? You won't have any friends like this!" Yun Chujiu pointed at her left arm.

"Died because of you? If you didn't make me so angry that I vomited blood, why would I faint?" Di Beiming recalled what happened last night and frowned.

Yun Chujiu almost gave herself a big slap. It was over. The gigolo was going to get even!

Di Beiming sat up and stared at Yun Chujiu gloomily. "You said I was a gigolo yesterday? And you said I was worthless and shameless? And you asked me to get lost? Hmmm?"
