

The Yun Family's Ninth Child is an Imp! Chapter 1462

Si Tushi gritted his teeth. Yun Chujiu, you forced me to do this. Initially, I had planned to let Jia Long win against your Tianyuan Academy, but since you are so arrogant, then I will take this opportunity to get rid of you!

"Mu Yan, you go! Kill Yun Chujiu!"

"Yes!"

A figure jumped onto the competition stage. Yun chujiu sized up the man opposite her. He was about twenty years old, and his looks were not bad. However, his entire person exuded a sinister aura, which was really displeasing.

"Netherworld Academy, Mu Yan!" After the man reported his name, he attacked Yun chujiu with his spiritual power.

"F * ck! Are you still shameless? I'm not ready yet, and you're already making a move? Is Your Netherworld Academy crazy to want to win? You actually sent such an impolite thing! It's really embarrassing!" Yun chujiu cursed as she dodged.

Yun Chujiu's image in everyone's mind suddenly collapsed. Damn, why did we think that she was a female Asura, a female fiend? This guy was just a little pervert!

Mu Yan was obviously more thoughtful than the previous Jia Long. Even though Yun chujiu scolded him, he was indifferent and launched another spiritual attack.

Mu Yan's spiritual attack was a two-headed snake. It looked very ferocious and looked much more agile than Jia Long's giant python.

Yun Chujiu dodged while releasing a group of spiritual piglets to entangle the two-headed snake. Then, she released a few more spiritual piglets to pounce on Mu Yan.

Mu Yan took out his spiritual sword and struck the spiritual piglets. The spiritual piglets quickly dissipated. Yun chujiu used the same trick again and shot several small purple needles.

Mu Yan learned from Jia Long's lesson and directly used his spiritual sword to strike the small purple needles. The explosion of the small purple needles did not cause any damage to Mu Yan.

After Mu Yan dodged Yun Chujiu's attack, he leaped and stabbed towards Yun chujiu. Yun chujiu dodged to the side, and the two of them fought together.

Everyone was scared silly. They originally thought that Yun chujiu releasing ten spirit piglets in one breath was already abnormal enough. They did not expect that this time, this guy released a total of fifteen spirit piglets. Oh God, this guy was too abnormal!

However, she used so much spiritual power in one attack. How long could she last? Her spiritual power would be exhausted soon, right?

Fifteen minutes later, Yun Chujiu was still alive and kicking as she fought with Mu Yan.

An hour passed, and the piglets continued to attack Mu Yan and his spiritual power twin-headed snake.

Everyone was shocked by Yun Chujiu's abnormal behavior. Damn, abnormal was indeed abnormal. She was still alive and kicking after an hour. Her spiritual power reserve was too abnormal, right? !

Yun chujiu rolled her eyes. This stalemate was not a solution. It was better to use the old method!

After Yun Chujiu found the upper hand, she shouted loudly, "Look at the hidden weapon!"

Mu Yan saw something glancing over and quickly turned his body to the side. After that thing hit the competition stage, the chili powder inside flew out and covered Mu Yan's entire body, especially when the chili powder was in his eyes. The feeling was indescribable.

Mu Yan's heart sank. It was over. He had fallen into the trap!

Mu Yan quickly activated the defensive spiritual tool on his body. Yun Chujiu released a group of spiritual piglets to attack Mu Yan's defensive barrier. Moreover, she kept shooting purple needles. The sound of explosions rose and fell continuously.

Seeing that things were not good, Si Tushi shouted loudly, "Referee! Referee! Yun Chujiu cheated! Yun Chujiu cheated! She used poison!"
