

## The Yun Family's Ninth Child is an Imp! Chapter 1465

When Mu Yan saw that Yun Chujiu's purple lightning could actually restrain the power of the Netherworld, he couldn't help but turn pale with fright. However, when he saw that Yun Chujiu's purple lightning was still very weak, he heaved a sigh of relief in his heart. This smelly girl was indeed strange., while she was still weak, he must kill her!

When Mu Yan thought of this, he took out his spirit sword and stabbed it towards Yun Chujiu.

On one hand, Yun Chujiu had to defend against the attack of the two-headed spirit snake, and on the other hand, she had to deal with Mu Yan, so she immediately became a little flustered.

At this moment, Di Linhan had already stood up and was ready to go up to save Yun Chujiu. Then, he saw Yun Chujiu call out eight immortal swords. The eight immortal swords flew up and down, protecting Yun Chujiu in the middle.

Di Linhan was so shocked that he sat back down on his seat!

Almost everyone was dumbfounded!

Controlling eight swords at the same time?

Holy shit! How strong was his spiritual sense? !

This was too scary! This Yun chujiu was indeed not human! This was too freakish!

Although the two-headed spirit snake could freeze spiritual power, it had no effect on the immortal swords. On the contrary, these immortal swords were afraid of the heat and liked the cold. They almost cheered as they rushed towards the two-headed spirit snake!

Yun chujiu simply activated the defensive spiritual weapon on her body. This way, she was not afraid of Mu Yan's sneak attack. She could concentrate on commanding the eight immortal swords to deal with the two-headed snake with spiritual power.

A part of the spiritual power of the two-headed snake had been consumed by Yun Chujiu's lightning. After being besieged by the eight immortal swords, it immediately fell into a disadvantageous position. Moreover, Yun Chujiu also attacked it with lightning from time to time.

"Damn it! I told you to bully my little piglet, I told you to freeze my little nine Lightning Needles, Immortal Sword No. 1, No. 2... No. 8, kill it for me! Avenge my little piglet!" Yun chujiu gritted her teeth as she commanded the eight immortal swords to slash at the two-headed snake.

The people below the stage were dumbfounded!

They finally understood one thing. This fellow's naming was the same trick! Baby Pig No. 1 to No. 15, the immortal sword was also No. 1 to No. 8. Wait, the immortal sword? What? All eight of them were immortal swords?

F \* ck!

Wasn't this guy too rich? !

It was already rare for an ordinary person to have an immortal sword, so how could she have eight?

However, after thinking about it, they guessed that it was given to her by the Palace Master's wife. After all, the longevity hall was rich and generous, so it was not a big deal to take out eight immortal swords.

Although the spirit energy twin-headed snake was powerful, it was only formed from the gathering of spirit energy. After the spirit energy was exhausted, it turned into nothingness. Mu Yan turned pale with fright and squeezed out another drop of blood, trying to form a seal. unexpectedly., he actually staggered and fell on the competition stage.

Yun chujiu naturally would not let go of such a good opportunity. She released a group of spirit energy piglets and pounced on Mu Yan who was on the ground.

Mu Yan quickly activated the defensive spirit tool on his body and blocked the spirit energy piglets three feet away. Then, he stood up and began to form a seal.

Yun Chujiu's eyes deepened. She commanded the eight immortal swords to stab in one direction and suddenly shot out several small purple needles at the same place. The sound of explosions kept coming.

Mu Yan's secret technique had yet to be performed. The defensive barrier was broken under Yun Chujiu's violent bombardment. Several spirit energy piglets pounced on him.

Mu Yan scrambled to take out his spiritual swords to block, but it was too late. Not only did several piglets of spiritual power pounce at him, but eight immortal swords also stabbed at his vital points.

Mu Yan screamed a few times and died.

After Yun Chujiu put away the immortal swords, she said to Si tushi, "The power of the Netherworld is just so-so!"
