

The Yun Family's Ninth Child is an Imp! Chapter 1467

"Wait! Dean Huangfu, Yun Chujiu must participate in this round!" Si Tushi heard Dean Huangfu asking Yun Chujiu to come down! He was anxious. We are going to kill this B * Tch. If she doesn't participate, why are we still competing? !

Si Tushi felt that killing Yun Chujiu was more important than obtaining the second stage of the competition. This B * Tch was too evil. If she grew up, she would definitely become a huge threat. Killing her was the most important thing. This competition was the best opportunity. Otherwise, when she returned to the Tian Yuan Academy, it would be too difficult to kill her.

Dean Huangfu was furious. "Dean Si Tushi, there isn't such a rule in the competition rules. We have to compete with the same person, right? Isn't it normal for us to switch people?"

Si Tushi was speechless. Indeed, the rules did not say that Yun Chujiu had to participate in the competition. Si Tushi could not help but blame Li Han in his heart. This fool, he had really screwed him to death!

Just as Si Tushi was frowning, Yun Chujiu, who was on the stage, said, "Principal Si Tushi, do you really want me to participate in the competition?" It was not impossible for me to participate. After all, one sheep would be released, and two sheep would be driven. However, I have a condition. If you can fulfill the condition that I put forward, I will participate."

Si Tushi was stunned. "What condition?"

“It’s very simple. Just spend some money to settle it! You Pay Me 100 million upper grade spirit stones as the entrance fee, and I will participate in the competition!” Yun chujiu said with a grin.

Everyone was stunned!

Damn! There was no one else who was so greedy!

This Yun chujiu really wanted money but didn’t want her life. The additional competition would definitely be a trap for her. She was actually willing to jump into it for money. Wasn’t that too greedy?

Di Linhan frowned. Could it be that bei Ming was too stingy towards little jiu? Why did it feel like Little Jiu was very short of money? That wasn’t right. Didn’t she already extort 100 million upper grade spirit stones from Si Tushi previously? Why was she still so greedy?

Actually, Yun Chujiu wasn’t always after spirit stones. She knew that Si Tushi’s additional test was targeted at her. Even if Dean Huangfu didn’t agree, Si Tushi would still think of ways to force him to agree. Since that was the case, why not she take the initiative..., moreover, she could use any method? I Won’t torture you to death!

When Si Tushi heard Yun Chujiu’s request, he was so angry that he started to Twitch. You’re really asking for too much! The competition between the Netherworld Academy and the Tian Yuan Academy was

only 100 million spirit stones. She had already extorted 100 million from him, and now she wanted another 100 million? She was really too greedy!

However, Si Tushi really wanted to kill Yun Chujiu. Therefore, even though his heart ached terribly, he still gritted his teeth and said, "Alright! I Promise You! But you must participate in the competition immediately. You Can't delay the time."

Yun chujiu nodded her head indifferently. "No problem. As long as the money is in place, nothing is a problem!"

Everyone was speechless. This fellow was really desperate for money! You're already so tired. You're not going to rest for a while before starting the battle? Aren't you afraid of exhausting yourself to death! !

Si Tushi saw that Yun Chujiu had agreed and immediately transferred 100 million upper grade spirit stones to Yun Chujiu. Then, he instructed Li Han not to talk nonsense with Yun Chujiu after he went up and directly attacked her, not giving her a chance to catch her breath.

After Li Han agreed, he leaped onto the competition stage.

When Yun Chujiu saw that it was Li Han, she was instantly delighted. "Oh, you're going to lose? You're not planning to use a group of Spirit Beasts to beat me up, are you? Let me tell you, the thing that I'm least afraid of is Spirit Beasts!"
