

The Yun Family's Ninth Child is an Imp! Chapter 147

Yun Chujiu laughed dryly. "Prince Charming, children's words carry no harm!"

The corner of Di Beiming's eyes twitched. "Children's words? You are really thick-skinned!"

"That's right, I'm still young! Of course, what I said is considered children's words!" Yun Chujiu nonchalantly pretended to be young. A fourteen-year-old was a proper teenager in modern times!

Di Beiming originally did not intend to pursue the matter from the previous night. Seeing Yun Chujiu's gag, he took the opportunity and said, "Hmph! This Venerable Self is magnanimous and will spare you this time. If there's a next time, this Venerable Self will not spare you!"

Yun Chujiu heaved a sigh of relief in her heart and said fawningly, "A male god is indeed a male god. I'm going to go to work now. When you leave, close the courtyard door properly. Be careful not to be discovered!"

The corners of Di Beiming's mouth curled up and he lay back on the pillow. "Who said I'm leaving? I'm going to stay in the Linghua faction for a period of time. Although your house is small and shabby, it doesn't attract any attention. I'll just stay here for now!"

"What? You're not leaving?" Yun Chujiu cried out and almost jumped up from the bed.

"What? Don't you welcome me?" Di Beiming stared at Yun Chujiu.

Yun Chujiu forced a smile. "No, no. Why wouldn't I? I can't wait to see you every day! I'm too happy! Yes, I'm too excited!"

"That's good. If you don't welcome me, just say it. I won't stay!"

Yun Chujiu cursed in her heart. 'Damn it, do I dare to say it? If I do, this damn gigolo would strangle me to death!

"Then, Prince Charming, you take care of your own safety. I'll go to work now!" Yun Chujiu climbed out of bed and put on her shoes as she said carefully.

"This is for you! Don't eat the thing that bird gave you!" Di Beiming took out a fruit from his storage ring.

Yun Chujiu's eyes lit up. It was the same kind of spiritual fruit that she ate last time. She immediately beamed and said, "Thank you, Prince Charming. You're too kind!"

Yun Chujiu ate the fruit in a few bites and hopped out of the house.

When she was outside, Yun Chujiu only remembered the last sentence that Di Beiming had just said. Bird? A bird gave her something? F*ck! The gigolo's mouth was too mean! He meant that Feng Ming was a bird?!

No wonder Senior Brother Feng Ming fell for no reason yesterday. It was the gigolo's doing!

Yun Chujiu shook her head. This gigolo was having a seizure. He gave her cultivation techniques and fruits when he was happy, and wanted to kill her when he was unhappy. What a lunatic!

An Feng and An Yin saw Yun Chujiu coming out and came over to salute. Yun Chujiu curled her lips and threw the fruit core away. "Forget it. I'm not worthy of your salute. Yesterday, you even threatened me with the Yun family!"

An Feng chuckled. “Miss Jiu, things are urgent. I was also anxious because I was afraid that you would regret it in the future if you acted rashly! Our Esteemed Sir is a man who is hard to find in this universe. Don’t lose him!”

“Hide well and don’t drag me into it. It wasn’t easy for me to enter the Spirit Radiance Sect. I don’t want to be chased out the moment I enter!” Yun Chujiu thought to herself. ‘Hard to find in the universe? I don’t want him even if you gave him to me for free. What the heck! He’s mental!’

An Feng said proudly, “Miss Jiu, don’t worry about this. Unless the Spirit Radiance Sect’s sect master and elders pay attention to this courtyard, there won’t be any problems.”

“That’s good. I’m going to work now. You guys watch the house for me obediently.” Yun Chujiu put her hands behind her back and walked away in a smug manner. Hmph! She would just take it as having three house dogs! Hahaha!
