

The Yun Family's Ninth Child is an Imp! Chapter 1471

Just as Tao Wu was feeling pleased with himself, he heard Yun Chujiu crying loudly. She was crying so sadly.

Tao Wu frowned. "Little girl, even if you cry, I won't let you off. I have to listen to that damned ant and kill you."

"Lord Tao Wu, I'm not crying for myself. What does my little life count for? If you want to kill me at any time, I won't resist at all!" Yun Chujiu said sobbingly.

"If that's the case, why are you crying?" Tao Wu asked in confusion.

"Sir Tao Wu, I'm crying for you!" Yun chujiu wiped her tears with her sleeve and said.

"Crying for me? Why Are You Crying for me?"

"Sir Tao Wu, back then, you looked down on the world. Even the other three ancient beasts had to do things according to your expression. How carefree was that! ?"! How domineering! However, now, you were trapped in the body of such a good-for-nothing and had to be controlled by him. This was the greatest insult to you!

With Your Pride and Your Pride, you must be suffering a great torment in your heart, my Heart Really Hurts!” Yun Chujiu started to howl again as she spoke. Anyone who saw it would feel that she was crying with great sincerity. It was heart-wrenching!

Tao Wu was stunned!

He did not expect Yun chujiu to say such words. Although he was only a remnant soul, he still had the arrogance of an ancient ferocious beast. When he thought about how he was struggling to survive, he could not help but roar in anger.

The huge roar shook people’s ears. Li Han, who was behind him, felt his heart tremble. This wretched girl was really detestable. She had angered Tao Wu with just a few words. Tao Wu must hate him to death., but so what if he hated him? It was his soul beast. Even if he died, it would die. Therefore, it did not dare to disobey his orders.

“Lord Tao Wu, I really don’t understand. Although you are only a remnant soul now, how could a trash like Li Han Trap You? They must have used a very despicable and shameless method to trap you, right? They were too shameless! How dare they humiliate an ancient beast like you? Even if they were to kill you, they would still have more dignity than this!” Yun Chujiu said indignantly.

Tao Wu said indignantly, “You’re right. They used despicable methods to subdue me and forced that damn ant to refine me into a soul beast!”

“Lord Tao Wu, actually, actually, I don’t know if I should say something. Forget it, I won’t say it. I’ll kill myself! I’ll strangle myself to death!” Yun chujiu pinched her own neck, she looked as if she was ready to die.

The corner of the eyes of the people below the competition stage twitched violently. She strangled herself to death? She strangled one of them to death for us to see! You’re just trying to fool Tao Wu!

“Wait! What do you want to say? It’s not too late to die after you’ve said it!” Tao Wu shouted loudly.

“Lord Tao Wu, what I’m going to say next might not sound good. Please don’t take it to heart!” Yun Chujiu said carefully.

“It’s Alright, just say it!” The more Yun chujiu was like this, the more Tao Wu wanted to know what Yun Chujiu wanted to say.

“Lord Tao Wu, I feel that your life is worse than death right now! What do you mean by hanging on by a thread? What do you mean by a walking corpse? You are a walking corpse right now!”

You, an ancient ferocious beast, actually became the soul beast of that good-for-nothing Li Han. If Tao tie and the other two found out about this, they would laugh at you to death! “If I were you, I would rather die than be destroyed. Even if I have to fight to the death, I can’t live with no dignity!” Yun chujiu straightened her little body and said proudly.
