

The Yun Family's Ninth Child is an Imp! Chapter 1482

Yun Chujiu said with a smile, "Don't worry! I never know how to be polite. If I need your help, I will definitely look for you! See You Later!"

"Prince Charming, let's go, let's go together!" Yun Chujiu said as she held di Beiming's arm.

Di beiming was stunned, then he understood what Yun Chujiu meant. Little Jiu did not intend to continue hiding it? His true body could finally see the light!

Cough cough, their relationship could finally see the light!

Lan Luo Chen looked at the backs of the two people, not knowing whether he should be happy that his goading method worked or sad that the two of them could openly pair up in the future.

There were already many people outside the restaurant. They rushed over after learning that di beiming had entered the drunken immortal restaurant. The two people at the front were Qin Mingzhu and Baili Yan.

When everyone saw Yun chujiu holding di Beiming's arm and coming out, everyone was stunned!

What did this mean?

Didn't his excellency not allow women to come within three feet of him?

Why didn't he say anything when Yun Chujiu held his arm?

Ah!

Could it be that his excellency and Yun Chujiu were together?

How, How was this possible? How could your eminence find a little girl with no background and no family background?

Qin Mingzhu and Baili Yan found it even more unbelievable. No, this was impossible! Any one of them, including the Dead Yin Xinlian, was more suitable to be the future Hall master's wife than Yun Chujiu. How Could Yun Chujiu be a match for her?

Yun chujiu held di Beiming's arm and stood on the stairs at the entrance of the drunken immortal tower. She looked at the crowd below and shouted, "Silence, silence! I want to announce something very important."

When everyone heard Yun Chujiu's words, they all quieted down and looked at Yun Chujiu.

"The man beside me, Di Beiming, also known as your esteemed self, will be my man in the future. I Won't pursue any further if you guys had any designs on him in the past!" "In the future, if anyone dares to Covet My Man, I will use my talisman to blow them up!" "Did you all hear that?" Yun Chujiu announced the ownership of di beiming in a domineering manner.

Everyone was dumbfounded!

Intrepid!

Too Intrepid!

No wonder they could get the most secretive person in the Tian Yuan continent. It turned out that their revered one liked this style!

The ladies' hearts were all broken. It was over. Their dream lover had been snatched away by Yun Chujiu. Moreover, they really did not dare to snatch it from her!

This fellow was really too intrepid. Perhaps he would really kill them!

Only Qin Mingzhu and Baili Yan revealed angry expressions!

Baili Yan asked angrily, "Yun Chujiu! Didn't you say that you don't like your esteemed self? Why are you going back on Your Words Now?"

Yun chujiu blinked her eyes innocently. "I didn't like him in the past, but now I like him to no end! Haven't you heard of a saying? "Love Goes Deep when it doesn't know where it comes from. Love Can Come and go as it pleases. There's nothing I can do about it!"! "Besides, your excellency has been pestering me relentlessly, giving me food and clothes. I can only reluctantly agree to it!"

Qin Mingzhu was more thoughtful than Baili Yan. When she saw Yun chujiu and di beiming together, she remembered some things from before. She didn't notice it before, but now that she thought about it, it was all a loophole. She gritted her teeth, so Yin Xinlian was right. The one who was really a threat to them was Yun Chujiu! They were all deceived by her!

"Senior Qin, senior Bai Li, I know that you have always wanted to marry into the temple of Immortals, but have you ever really thought carefully about whether the person you like is really di beiming? Is such a fussy man really the candidate for your husband?"

You are only doing this for the title of the Future Palace Master's wife! With your family background, looks, and talent, what kind of man do you want to find? Why do you have to put up with his bad temper? That's all I have to say. You can do whatever you want in the future!

However, from today onwards, if anyone dares to have designs on my man again, I will not let her off! No matter what her identity is, no matter how strong her spiritual power is, if she covets my man, I will definitely torture her to death!"After saying that, Yun Chujiu stood on her tiptoes and lightly pecked the corner of di Beiming's mouth.
