

The Yun Family's Ninth Child is an Imp! Chapter 1483

Everyone's eyes almost popped out!

Oh My God!

Yun chujiu actually kissed your excellency in broad daylight?

This, this is too unrestrained!

Your Excellency will definitely fly into a rage. Maybe he will slap Yun Chujiu and send her flying! This Yun Chujiu is really too good at being evil! It was not easy to get your excellency's favor, so you should just be honest. You actually kissed your excellency in public. You are really courting death!

Qin Mingzhu's eyes revealed a gloating expression. Yun Chujiu, you're too cocky. Even if His Majesty really likes you a little, he can't tolerate your outrageous behavior. Maybe His Majesty will just slap you away!

Everyone's gaze turned to di beiming. Then, they were shocked to find that not only was di beiming not angry, he even slightly raised the corners of his mouth.

This was too shocking!

Seeing this scene, many women gave up on their thoughts towards di beiming. What a joke. Let's not talk about whether or not they would be able to get the Lord's favor. Just Yun Chujiu alone was so Valiant. were they afraid? ! She even dared to forcefully kiss the Lord. What else would she not dare to do? ! !

Qin mingzhu bit her lips tightly. Yun Chujiu, I will never give up just like that! Let's wait and see!

Baili Yan was slightly distracted and no one knew what she was thinking about.

At this moment, di beiming said calmly, "Yun Chujiu is my woman. If anyone dares to hurt her in the future, no matter who they are, I will kill them without mercy."

Although di Beiming's words were shorter than Yun Chujiu's, the effect was much more shocking than Yun Chujiu's. Many people put Yun Chujiu on the list of people they should not provoke. What a joke.., in the past, Yun Chujiu was only the old friend of the palace master's wife's daughter, but now she was the esteemed Lady's woman. There was no comparison at all, okay? Unless they did not want to live anymore, they would only provoke Yun chujiu.

Besides, who could afford to provoke a pervert like Yun Chujiu? !

Yun chujiu was very satisfied with di Beiming's attitude. She said to Di beiming with a smile, "Dear Prince Charming, let's go shopping!"

Di beiming nodded and the two of them walked down the stairs. Everyone consciously made a path for them. Yun chujiu held di Beiming's arm and skipped away.

Many people looked at the backs of di beiming and Yun Chujiu. They felt that the two of them were meant to be a couple. The feeling of being together was so compatible..

At this moment, Lan Luo Chen stood by the window on the second floor and looked at the backs of di beiming and Yun Chujiu. His aura became gloomy and his eyes turned dark blue..

Yun chujiu held di Beiming's arm and walked around for a while. She pouted because she realized that no matter where she went, the people who sold things would be like drawing a goat's horn when they saw di beiming, they were either trembling with excitement or with fear. It was really a downer!

“Forget it, I’m not going to walk around anymore! Let’s go back to Changfeng Inn and look for an Feng. The three of us will go fight the landlord!” Yun Chujiu said with a smile.

Di beiming was so happy today that he was about to fly. Naturally, he would not object. The two of them held hands and walked toward Long Wind Inn.

Yun chujiu was in a good mood, she hummed softly, “Because I love your love, because I Dream of your dreams, I Am Sad for your sorrow, happy for your happiness... so happy for your happiness, chasing after your chase...”

“Prince Charming, is it good?”

“What is the name of this song?”

“Holding hands.”

“Yes, holding hands, I will grow old with you. Little Jiu, I will always hold your hand, I will never let go.”
