

The Yun Family's Ninth Child is an Imp! Chapter 1485

Xiao Hong was terrified and said unwillingly, "Master, my ability, my ability is that I can grow bigger."

"Grow bigger? Does this mean that I will have a mount in the future? hahaha! In the future, when the trials are held, I can finally stop being tired! Come here, grow bigger for me to see!" Yun Chujiu said excitedly.

Xiao Hong's heart was filled with tears. I knew it, I knew it. If I were to say it, my evil master would definitely squeeze me to death in the future. However, I did not dare to not say it!

Xiao Hong's body slowly grew bigger. It was about the size of a small donkey, Yun Chujiu pouted. "TSK TSK, this is too small. I thought that I could lie on your back and roll around! However, it's Alright! You'd better grow a pair of wings in the future. If you can grow a pair of fins, that would be even more perfect!"

Xiao Hong was about to cry! I'm a Fox! How is a Fox? The one with wings you mentioned is called a bird! The one with fins is called a fish!

Yun Chujiu said that she disliked it, but she rode on the Xiao Hong and ran a few hundred laps in the courtyard. Xiao Hong felt that the fox would give birth to darkness in the future!

Just as Yun Chujiu was torturing Xiao Hong, her identity jade token trembled and informed everyone to gather at the Tian Yuan Square.

Yun Chujiu jumped off Xiao Hong's back and sighed, "What a pity, what a pity. Spirit Beasts are prohibited from entering the Tian Yuan Academy. Otherwise, I would be able to ride you to the Tian Yuan Square."

Xiao Hong thought to herself, the person who set the rules of the academy must be a good person. Otherwise, she would feel that the life of a beast was hopeless!

When Yun Chujiu arrived at the Tian Yuan Square, there were already many people gathered there. When Nangong Luoyue saw Yun Chujiu, she warmly greeted her, "Little Jiu, come here! Over Here!"

Nangong Luoyue had a gentle personality. During this period of time, she got along very well with Yun Chujiu.

Yun chujiu jumped to Nangong Luoyue's side and asked curiously, "Sister Luoyue, what happened? Why is everyone from the academy here?"

"I don't know either, but it must be something big. Otherwise, we wouldn't have gathered everyone here. We'll know in a while. Oh right, these osmanthus candies are newly made by me. Take them back as snacks."

“Hehe, then thank you, Sister Luoyue!” Yun chujia grinned as she took the oil paper bag and stuffed one into her mouth. She kept the rest in her storage ring. This fellow would never admit to it., the reason why she got on good terms with Nangong Luoyue so quickly was that Nangong Luoyue often gave her candied fruits and the like.

Nangong Luoyue was very happy when she saw Yun chujia eating so sweetly. She used to think that Yun chujia was too impulsive, like a little lunatic. However, after interacting with her, she felt that such a straightforward girl like little jia was very cute. She was much cuter than those girls who gossiped behind her back.

After about fifteen minutes, dean Huangfu and the others arrived.

Yun chujia was very puzzled when she saw Dean Huangfu’s expression. Dean Huangfu seemed to be a little excited or excited, and there seemed to be a trace of worry within. What was the meaning of this?

“I just received the latest news. The Sky Burning Mystic Realm has appeared! It is estimated that it will open in about ten days.” As soon as dean Huangfu finished speaking, the students below exploded!

Yun chujia was very puzzled. Wasn’t it just a mystic realm? Was there a need to be so excited? It was really rare to see so many strange things!

Nangong luoyue excitedly said to yun chujia, “Little Jia, you don’t know that the burning sky mystic realm is different from other mystic realms. Not only are there high-grade spirit herbs, but there are also spirit tools that appear randomly. There will also be immortal tools, and even divine tools! Most

importantly, there will be opportunities for cultivators to have an epiphany! The Burning Sky Mystic Realm is the immortal realm that all cultivators dream of!”
