

The Yun Family's Ninth Child is an Imp! Chapter 1490

Yun Chujiu's heart skipped a beat. How could it be such a coincidence? It was said that the sky burning secret realm was extremely large. How could the people of the Netherworld Hall be teleported together? Could it be just a coincidence?

However, now was not the time to think about these things. It was better to think of a way to escape. The spiritual power of these people was generally higher than mine. She definitely could not defeat them. What should she do?

Before Yun Chujiu could think of a way, the leader of the Nether World Hall waved his hand. "This darn girl is full of bad ideas. Let's go, lest she comes up with another bad idea!"

When the people of the Nether World Hall heard that, they immediately surrounded Yun chujiu in the middle and fired their spiritual power attacks at Yun Chujiu. Yun chujiu had no choice but to activate the defensive spiritual tool on her body, and then she began to release the little piglet of spiritual power.

Although those people had witnessed Yun chujiu's abnormal performance of the little piglet of spiritual power, they were still shocked. This damn little piglet, not only could it devour spiritual power, but it could also be kept for its own use. It was really too abnormal!

However, although the little piglet of spiritual power was very abnormal, the opponent had a total of thirty to forty people. No matter how abnormal Yun Chujiu was, she could not defeat them. She could only rely on the defensive spiritual tool to struggle.

What should she do?

Although she had a lot of defensive spirit tools on her, she would not be able to withstand such a disaster! She had to think of a way! Or else, would she be able to escape through an opening?

That was not right. She had already run for half a day just now. Her stamina would definitely not be able to compete with theirs. Moreover, what if there were still people from the Netherworld Palace in front of her?

What should she do?

Just as Yun chujiu was frowning, she caught a glimpse of the three black dots that were getting bigger and bigger. She immediately had an idea in her mind. HMPH, I'll let you dogs fight dogs. That's right, let's do it!

Yun chujiu suddenly rushed towards the few people in the north. This guy had a defensive spirit tool on him and was not afraid of being attacked. She was not afraid of those people but was afraid. When she saw that Yun Chujiu was a little piglet of spiritual power and a little purple needle, she quickly dodged, yun chujiu took the opportunity to sneak out.

“Scum, let me tell you, do you think that I am alone? My reinforcements are here. Just wait to be wiped out! HMPH!” Yun chujiu ran as she shouted arrogantly.

“Your reinforcements? HMPH! What kind of reinforcements can you have? Those trash from Tianyuan Academy? Chase! We must kill her today!” The leader of the people from the Netherworld Palace followed closely behind.

“TSK! You guys really don’t know what’s good for you! Don’t blame me for not warning you guys. My reinforcements are very scary. If you guys run now, it’s still not too late. Otherwise, just wait for your death!” Yun Chujiu said arrogantly.

The More Yun Chujiu said this, the more the people from the Netherworld Palace felt that Yun Chujiu was bluffing. They felt that this was a great opportunity to make a contribution and naturally, they would not give up so easily. They chased after Yun chujiu with all their might.

The people of the Netherworld Hall cursed as they chased after her. Damn it, this brat ran really fast. However, no matter how fast she could run, she would not be able to escape from their hands.

Yun chujiu saw that the black dot was getting bigger and bigger. She gritted her teeth. Victory and defeat depended on this one move. She shouted at the top of her voice, “Lord Divine Beast! Lord Divine Beast! I’ve helped you find a lot of reserve rations. Come and take a look!”

“Lord Divine Beast! Lord Divine Beast! This time, it’s enough for you to distribute. You Don’t have to compete anymore. You can eat your fill directly!”

..

The people of the Netherworld Hall were puzzled. What nonsense was this brat talking about? Divine Beast? Reserve rations? What the Heck was that!

Then, when they saw the three huge monsters charging over, they were dumbfounded!
