

The Yun Family's Ninth Child is an Imp! Chapter 1491

When the three demonic beasts saw Yun chujiu, they raised their heads and roared angrily. Actually, this area was no longer their area of activity. However, they were all mad with anger. There was only one thought in their minds, that was to rip the little girl who was playing with them into pieces.

“Lord Divine Beast, Lord Divine Beast, quickly! I was afraid that you wouldn’t have enough to share, so I found so much food for you. Enjoy it to your heart’s content! “Since the three divine beasts aren’t here, you can have some more!”Yun chujiu acted as if nothing had happened, she happily waved her hand at the three demonic beasts.

The three demonic beasts were obviously confused. What did she mean? She said that she wasn’t running away, but she was here to find food for them?

The people of the Nether World Palace were so scared that their legs went soft. Although they didn’t know what kind of demonic beasts these three behemoths were, the pressure they emitted was definitely not lower than level 27. Could They Be Yun Chujiu’s spiritual pets?

“Lord Divine Beast, don’t just stand there! Aren’t you going to eat the snacks that were delivered to your door? It wasn’t easy for me to trick them into coming here. Don’t let them escape!”Yun Chujiu said anxiously.

When the people of the Nether World Palace heard Yun Chujiu’s words, they were even more certain that these three demonic beasts were Yun Chujiu’s spiritual pets. They were so scared that they ran as fast as they could.

When the three demonic beasts saw the people from the Nether World Palace running away, they subconsciously chased after them. The smelly girl was right. No matter what, they had to eat these people first. After all, the smelly girl wouldn't be able to run away!

The people from the Nether World Palace were really unlucky!

Although they had quite a number of people, how could they be a match for these three demonic beasts? Not only were the three demonic beasts strong, but they could also shoot water arrows. When the huge water arrows hit people, they could kill them with a single move.

Yun Chujiu was speechless. Damn, these three bastards were probably at least at level 27. She had used them to kill the people from the Netherworld Palace. However, how could she escape?

No matter what, she had to lower the three bastards' guard first. Therefore, this guy was cheering from the side, "Lord Divine Beast Number One, good job! Yes, use your heroic claws to kill them!"

"Lord Divine Beast Number Two, your water arrows are simply too powerful! Put in more effort and kill them all!"

boxn ov el. c o m

"Lord Divine Beast Number Three, you are really too brave. Yes, bite them to death!"

..

Although the three demonic beasts were dealing with the people from the Netherworld Palace, they had been staring at Yun chujiu from the corner of their eyes. They were afraid that Yun Chujiu would run away again. When they saw that Yun Chujiu was cheering for them with all her might and had no intention of running away, they finally let down their guard.

Since the three demonic beasts were excited to kill, they did not pay much attention to Yun chujiu anymore. Anyway, they could hear her shouting and cheering all the time. It seemed that she would not be able to run away.

In less than an hour, the three demonic beasts had killed all the people of the Netherworld Palace. Only then did they remember to seek revenge on Yun Chujiu.

However, when they turned their heads, they were so angry that they almost fainted!

Where was Yun Chujiu's figure? ! There was only a rock-like object on the ground that was still broadcasting Yun Chujiu's shouts. "Lord Number Two Divine Beast, your water arrows are simply too powerful! Put in more effort and kill them all!"

..

The three demonic beasts were so angry that they started to lash out!

They had been tricked again!

This damn brat had too many ideas!

They wanted to chase after her, but they had no idea where Yun chujiu had run off to. Moreover, this place was already very far from their territory. Even though they were so angry that they were screaming, they could only give up chasing after Yun Chujiu.
