

## The Yun Family's Ninth Child is an Imp! Chapter 1493

"F \* ck! He wants to smash me into a pie! If this is the norm, it's fine. But if I find out who's behind this, I'll kill him!" Yun chujiu cursed as she ran.

Fortunately, Yun Chujiu had a lot of defensive spirit tools on her. Although she had damaged a lot of them, she had finally left the area where the stone rain was.

Yun chujiu panted for a while and then walked to the edge of the stone rain and began to crack the stones.

Damn it! The wool came out from the sheep. Didn't you ask me to destroy a lot of defensive spirit tools? I'll get some more from these stones.

Yun Chujiu's thought was right, but after she had cracked a few stones, she was so angry that she started to Twitch. These were actually ordinary stones. There was no defensive spirit tool in them at all!

'are you playing with me?'

'very good, these wicked things were most likely done by the secret realm's Qi Ling. Just you wait, it's fine if I can't find you, but if I can find you, I'll make you the most miserable Qi Ling in history!'

At this time, the sky had gradually darkened, and Yun Chujiu decided to find a place to spend the night.

Yun chujiu found a small mound and put her all-purpose small tent to one side to take shelter from the wind. After eating dinner, she lay inside to rest.

The three little ones took turns to be on guard to prevent any demonic beasts from attacking.

Just as Yun Chujiu was sleeping soundly, she heard Xiao Hei squeaking anxiously. Yun chujiu hurriedly left the tent in shock.

When Yun Chujiu saw the scene in front of her, her scalp could not help but feel a little numb. There were more than a hundred blood-eyed saber-toothed mice surrounding her. Moreover, there was an endless stream of blood-eyed saber-toothed mice coming out from the small mound.

Yun chujiu could not help but smile bitterly. Damn it, it turned out that she was sleeping next to the Rat Hole!

Yun chujiu put away the universal tent, and then confronted the rats.

Xiao Hei Rats roared angrily, hoping to use its bloodline to suppress the rats.

Unfortunately, although Xiao Hei Rats had a much higher bloodline than the blood-eyed saber-toothed rats, its spiritual power level was not as high as the blood-eyed saber-toothed rats. Moreover, the other party had a lot of them, so they did not put Xiao Hei rats in their eyes at all.

A rat king that was obviously larger than the other blood-eyed saber-toothed rats squeaked, and then all the blood-eyed saber-toothed rats pounced on Yun Chujiu.

Yun chujiu had no choice but to release her spiritual power piglets to deal with the rats. Xiao Hong, the red fox, and the little black rats also joined the battle. However, there were too many blood-eyed saber-toothed rats. Although Yun Chujiu had killed dozens of them.., however, there were still hundreds of them crazily gnawing at Yun Chujiu's defensive barrier.

The defensive spiritual artifact began to crack and shatter. Yun chujiu could not help but smile bitterly. She was afraid that she would have to account for her little stock today!

Xiao Hong said while burning the blood-eyed saber-toothed rats with fireballs, "Master, don't you have rapeseed oil? Burn them to death! Anyway, you have the fire repelling pearl, so you are not afraid of the fire."

Yun Chujiu's eyes lit up. She quickly took out the rapeseed oil from her storage ring and poured it on the rats. After Xiao Hong and Xiao Hong's fireballs met with the rapeseed oil, the fire started to burn.

The blood-eyed saber-toothed rats were burned into a mess. The moment they ran, the fire spread even faster. It was filled with shrill screams.

Yun chujiu relied on the fire repelling pearl, but nothing happened. Taking advantage of the chaos among the rats, she ran away.

“Xiao Hong, I didn’t expect you to be so smart at the crucial moment. This time, I’ll reward you with a huge merit. I’ll reward you with five roast chickens!” “Oh right, you weren’t so smart before. Could it be that you’ve gained a tail and are smarter than before?”
